The safety and well being of Clark County residents is my top concern as your Commissioner. It has been incredible to see so many acts of kindness during this difficult time. Neighbors looking out for neighbors, checking in on each other, and giving what you can.

At Clark County, we have been working around the clock to prepare our medical facilities for a possible surge, procure the equipment and supplies we so desperately need, and take care of our most vulnerable citizens.

When the time is right, we will turn our attention to an aggressive economic recovery. For now, I stand ready to assist you and your family with any emergent needs you may have as we get through this crisis together. Please do not hesitate to call on me anytime.

THE JUNE 9 ELECTION WILL BE ALL-MAIL BALLOT, DON'T LOSE YOUR VOICE.

JUNE 9, 2020, PRIMARY ELECTION NOTICE OF ALL-MAIL BALLOT ELECTION

Clark County Election Department, 965 Trade Dr., North Las Vegas, NV 89030

OVERVIEW

To help keep you, your family, and our community safer by limiting interactions that could spread the coronavirus, the June 9, 2020, Primary Election is being conducted entirely by mail ballot. On or before May 18, 2020, Clark County registered voters will receive a mail ballot packet from the Clark County Election Department which will include:

- A ballot and instructions for voting a mail ballot;
- A pre-addressed, postage-paid envelope that must be used for returning voted mail ballots; and
- A list of mail ballot drop-off sites for voters to drop off their own voted mail ballot in-person, if they are unable to put their ballot in the mail.

Registered Voters who do not receive their packet by May 18, 2020, should contact us at (702) 455-VOTE (8683). We **STRONGLY ENCOURAGE VOTERS TO MAIL THEIR BALLOT** rather than drop it off in-person. Please read this entire notice for important details.

CONTACT INFORMATION WILL HELP US ASSIST VOTERS

We strongly encourage all voters who do not have their current e-mail or phone number listed in their registration records to contact us as soon as possible and no later than **MAY 12, 2020**, to provide that information. This is important because if a mail ballot has no signature on the envelope, or if the signature does not match the one the Election Department has on file, we will need to contact the voter as soon as possible to resolve this issue. To check if your phone number or e-mail is in your voter registration records or to add it if it is not:

- Log-in on the Secretary of State's website at www.registertovotenv.gov; or
- Send an e-mail to elinfo@ClarkCountyNV.com; or
- Call us at (702) 455-VOTE (8683).
