

# DISTRICT B RURAL NEWSLETTER

To my Friends & Neighbors,

Thank you for taking the time to stay involved in District B. We are doing a lot of great things in the community, and we wanted to share some of it with you. Please don't hesitate to reach out in the future if we can answer any of your questions, or if you would like to see other things in the newsletter, please let us know.

*Marilyn*

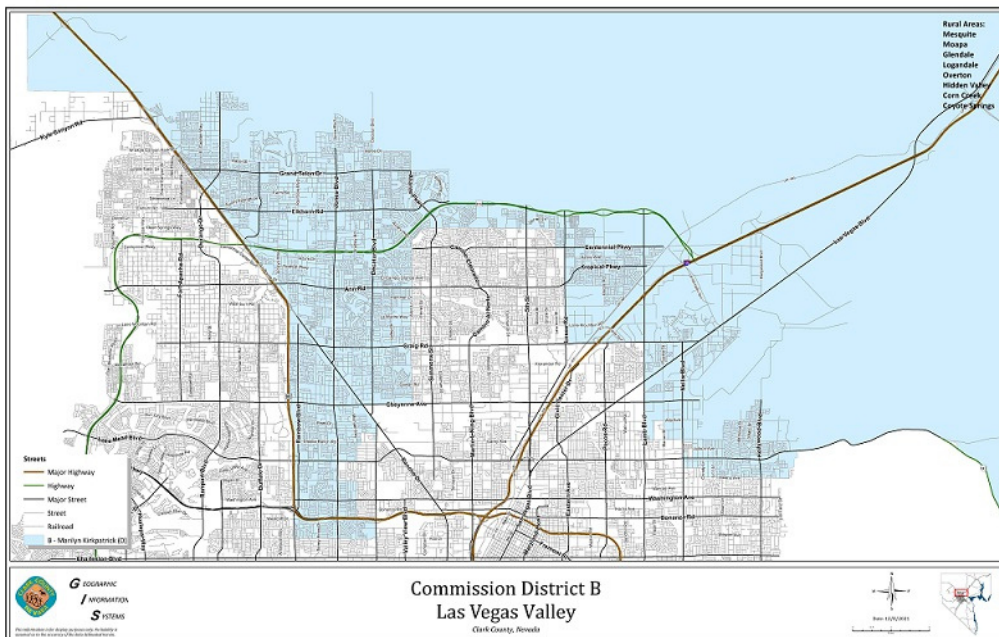

## Community Highlights

- Grand Reopening of Bunkerville Park
- Logandale Sports Park
- Moapa Improvements
- Nevada Rural Partners
- Network Working Group
- Main Street Beautification Project

## Upcoming Community Free Events

4th of July Celebration

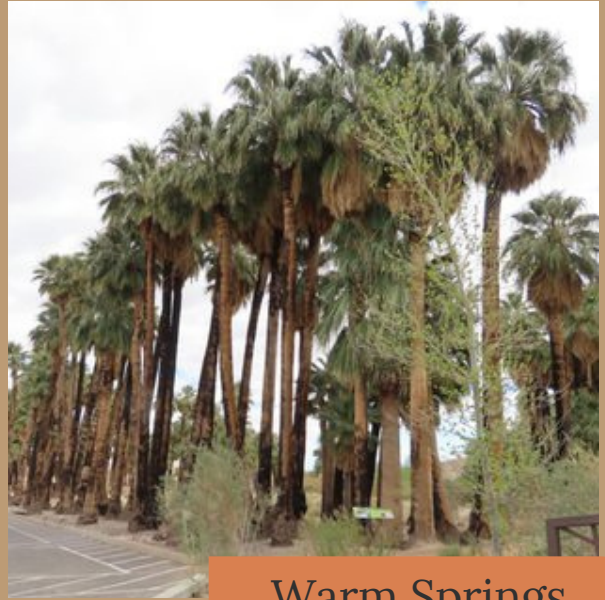

Bunkerville's Best - June 15, 2023

# Moapa Town Improvements in the Works

Just to name a few !!!!

- Drinking Fountains in the Park
- New Portable Signs
- Playground lights
- New gym flooring
- Paving the lower lot at the park
- Street improvements

Warm Springs

## Things to do

## Moapa Parks and Rec

Wildlife refuge

# Happenings in Moapa

## Town Board Meetings

- **When:** Meetings are held on the Tuesday preceding the first (1st) Tuesday of the month, 7:00 p.m. Additional special call meetings will be held on the Tuesday preceding the third (3rd) Tuesday of each month, as needed. Please feel free to have additional special call meetings as required.
- **Meeting Location:** Marley P. Robinson Justice Court & Community Center, 1340 East Hwy. 168, Moapa, Nevada 89025

## Issues concerning you

- A survey has been sent to the residents of Cytile Ranch concerning access and communication.
- A valley-wide Safety Plan is being developed to ensure resources during an emergency. Each town board will have a representative.
- We encourage potential development to have neighborhood meetings; you should expect one in your community.
- You can view Clark County meetings on Channel 4
- Sandbags for flooding are available- check with your fire station

<b>YOUTH (3-17 YRS)</b>	<b>\$1</b>
<b>ADULT (18-54 YRS)</b>	<b>\$2</b>
<b>SENIOR (55+)</b>	<b>\$1</b>

**CASH ONLY!**

# Logandale Sports Complex

**COMING**

**SOON**

For many years, the community was promised more fields and a finished sports complex. We are excited that the community is getting what was promised and some additional items that residents requested. We are adding a Splash Pad with a mining theme, picnic areas, a skateboard park, pickleball, upgrading existing facilities, and more. We are also bringing in the sewer with a grant, which will be closer to the fairgrounds. The final design will go before the town board for approval. We cannot add or delete venues but we are addressing parking and other minor details. I was able to secure a grant for this for over \$15 million, so changing it would delay the process. We expect to break ground in January 2024 with a completion date of February 2025, just in time for baseball season. You will not have any disruptions during construction for baseball season.

# Mobile Resources

## The Harbor is now in MOAPA! Cogandale & Overton!

Looking for support and guidance for the youth in your life?

### The Harbor can help!

If you're looking for supportive services, have concerns about your child's behavior, or just need a trusted professional to identify the appropriate services for your family - come see us!

**If you would like to learn more about the Harbor, or to schedule an appointment, please call us at 702-455-7914**

The Harbor services are FREE!

**A SAFE PLACE FOR GUIDANCE**  
*Juvenile Assessment Center*

**WORKSHOPS:**  
FAMILY ENGAGEMENT  
DECISION MAKING  
CONFLICT RESOLUTION  
AND MORE!

The mission of The Harbor is to be responsive to the well-being of youth, families, and victims, by providing meaningful services to improve community through academic achievement, reducing truancy, and providing a safe place for guidance.

## ‘Earth Rise’ Sculpture to be Installed at the Moapa Valley Community Center

Artist Mark Brandvik is in the final stages of completing and installing his public art sculpture *Earth Rise*. This unique sculpture is a gateway to Michael Heizer’s *Double Negative* and offers a conversation with the earthwork that has become a historical landmark in Overton, NV. Brandvik is a Las Vegas-based artist working with local general contractor Brimont Construction, Inc. to install the sculpture at the Moapa Valley Community Center’s front lawn at 320 N. Moapa Valley Blvd., Overton, Nevada 89040.

*Earth Rise* will be a monument for the community and celebrate the international legacy of Heizer’s work in Nevada and Moapa Valley’s local history and culture. Installation for the sculpture will begin in early 2023 on a central and inline site from *Double Negative* to Valley of Fire State Park, where spectacular geological features offer further design inspiration.

“This is an exciting addition for the community and is a gateway from The Moapa Valley Community Center’s front lawn to Michael Heizer’s sculpture on the mesa.” Said Commissioner Marilyn Kirkpatrick. “This landmark sculpture will be a wonderful and sophisticated connection for the people of Overton and art enthusiasts visiting the area.”

“In 1969, artist Michael Heizer developed *Double Negative*, a project on the edge of a mesa outside of Moapa Valley that entailed the displacement of 240,000 tons of mostly sandstone and rhyolite rock,” said artist Mark Brandvik. “In that same year, NASA astronauts, who had previously carried out training and geological studies in the Nevada desert, were preparing to launch to Earth’s closest rock. This historical symmetry is reflected in the formal symmetry of *Earth Rise* - the dynamite blast of rock doubles as a dynamic rocket exhaust plume, with both forms navigating and altering notions of space.”

Along with creating this sculpture, artist Mark Brandvik worked with high school students at the Moapa Valley High School art department with supervision from art teacher Donna Swanson. The students were then asked to create their glyph images, which were turned into student works of art. The artist gave an in-depth presentation of the *Earth Rise* project, including the historical inspiration from petroglyphs found in Valley of Fire State Park and a brief history of Michael Heizer’s *Double Negative*.

Those interested may contact the Public Art Office at (702) 455-8685 or visit the Web site at [www.ClarkCountyNV.gov/parks](http://www.ClarkCountyNV.gov/parks). ## OUTSIDE AGENCY GRANTS

Clark County Commissioners have a grant program. While the amount changes each year. Rural areas receive Ninety-nine percent of District B dollars. Here are this year's awards. It will be official at the next board meeting.

Brookes Good Deeds  
Cappalappa Family Resource Center  
City Of Mesquite Parks Center  
City of Mesquite Senior Center  
Moapa Valley TV District  
Old Cogan dale School and Culture Center  
Moapa Valley TV Maintenance District  
Old Overton Gym  
United Senior Center

## 4TH OF JULY

Each Commissioner is given dollars to spend in their district to enhance Parks and Recreation. I worked with John @ Parks and Rec to see what the needs of the valley were. We sponsored money towards the 4th of July in both the Moapa Valley area and Bunkerville. Parks must have a role in the project for the money to be used. All traditional activities will continue. Our office did not take over, but we did bring dollars to Parks and Rec for these events.

## PARKS AND RECREATION

Clark County District B has been excited to bring additional programming to the valley using our Parks Enhancement dollars. We hope that you enjoy the other venues such as "Movie in the Park," "Halloween Venue," Easter Egg hunts, and more

## REPUBLIC SERVICES

We worked with Republic Services to address the dump issue. Republic Services can no longer leave large roll-offs per SNHD regulations. Republic Services has agreed to bring two trucks during your scheduled day to accommodate the bulk items. Please let us know if other issues arise.

## MIDDLE SCHOOL STUDENT REQUEST

We surveyed about 200 students on what they wanted to see in the valley. The good news is that we are on our way to fulfilling their request. Some recommendations were, skateboarding, rock climbing, basketball, volleyball, painting, teen space, and swimming. We will keep you up to date on our progress.

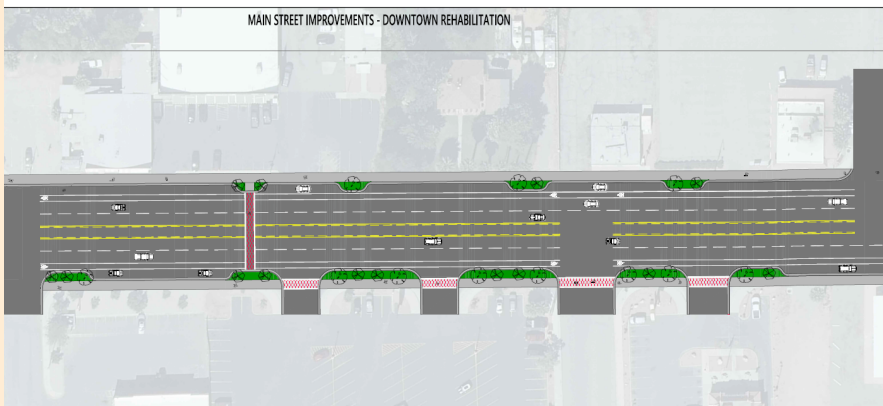

## ROAD WORK

We have a few projects in the works. The road to Cogandale Trails is being modified and submitted and we hope to approve the route. In the next fiscal year, we will make some road improvements. NDOT is moving forward with the acceleration and deceleration lanes along the highway. A few trails will be updated, and we will revisit OHV trails this year. Please be patient while we complete our work.

# OVERTON HAPPENINGS

## UPCOMING IMPROVEMENTS

Overton Water secured a grant from Clark County to upgrade the Main Street waterline. A partnership with Clark County and NDOT, we will be adding a beautification project as well. We will be adding crosswalk safety and plants. Please be patient during construction. It will be well worth it.

Phase 2 will require a partnership with all the community partners, Chamber, Rotary, MV Revitalization, and many more to update Main Street.

# MESQUITE NEWS

CLARK  
COUNTY COMMISSIONER  
AND MY ROLE IN YOUR  
COMMUNITY

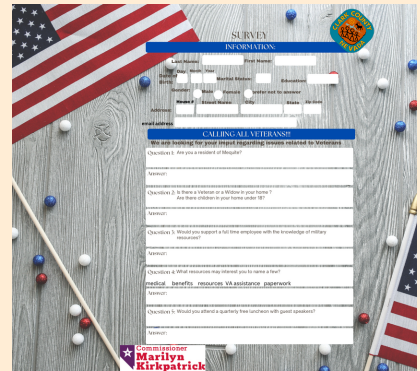

Clark County serves as a regional partner to the City of Mesquite, and the state of Nevada. For starters, we provide social services, some regional roads, grants, recorder, services, a justice court, the Constable's office, an Assessor's office, Library District, and a mutual aid agreement regarding public safety. We often work on federal and state legislation together. We are lucky to have Mesquite on regional boards such as SNHD, Workforce, Transportation, and LVCVA. While you may only see us at the chamber luncheons or a city council meeting, we are here to answer any questions and work with your mayor and council to bring resources when you'd like. This is the same for other portions of my district, including NLV and the City of Las Vegas. We share a formula called C-Tax which helps provide a revenue source to the City of Mesquite.

We are always willing to come out and visit, we just need an invite

**BUNKERVILLE'S BEST**

June 15, 2023

Immediately following the Thomas Dudley Leavitt III Memorial Park reopening. Keeping with tradition, every year, we celebrate and honor the Bunkerville community's champions with a BBQ and awards ceremony called "Bunkerville's Best!" We select five community members that have committed themselves to actively supporting the community and striving to improve the quality of life there. This year we will honor all five of our Bunkerville Town Board members. We invite the community to join us.

There will be free food, games, prizes, and entertainment.

We are looking forward to it, and the entire community is invited.

On June 15, at 3:30 p.m., we will host the grand reopening of Thomas Dudley Leavitt III Memorial Park, Aka Bunkerville Park, which has a beautiful new walking path, entertaining new playgrounds, a new larger pavilion, and an improved baseball field.

I am happy that the residents of Bunkerville will enjoy the improvements at this family fun friendly park.
