

A NOTE FROM COMMISSIONER SEGERBLOM

Tick's Take

I hope everyone has had a safe and enjoyable summer. We had several activities going on in District E which included the many "Back-to-School" events held at various recreation centers throughout the district, some of which we will spotlight in this edition of the newsletter.

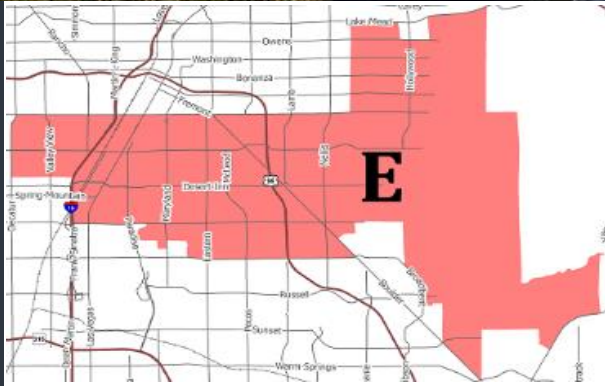

With the new school year being in full swing, please be mindful of children walking to and from school by ensuring that you slowdown in all school zones. Also, make sure you stop for school buses which are picking/dropping off students.

Remember...Safety First! Also, I welcome all of you to tune in or attend the bi-weekly commission meetings. I regularly have requested items on the agenda that concern our district.

As we approach the 2nd anniversary of 1 October, an important milestone for our community, try to attend an event and show your support!
