but there will be no physical changes for several months. The apartments are still active but they are waiting to see what Beezer does and how well the homes being purchased now on MacFarland do.

VI. Planning & Zoning: None

VII. General Business

9. A representative from the Indian Springs Library will present information about events and activities happening at the Library including their partnership with Nevada Partnership for Homeless Youth as a Safe Place and the Food for Thought community food drive: 1. Clark County Libraries throughout Clark County are now “safe place” location through NPH1. The Chevron is participating as well. This program focuses on homeless youth and youth in distress. The library district is looking for all resources in the community so they can put together a list to give to individuals who need assistance. 2. Food drive. Every eligible donation can reduce your owed library fees. This projects provides the food served weekly.
10. A representative from the Indian Springs Water Company will discuss the history and current status of fire hydrants in the community: None
11. A representative from ADDUS Home care and the Alzheimer’s Association will discuss the availability of home health care in Indian Springs: We now have home care available in Indian Springs. This company is looking for individuals to be employed in this capacity and individuals who are in need of this service.
12. Discuss possible repairs or upgrades to the Clark County property on MacFarland between Fisher and Boulder: There is interest in cleaning up the area so that people can use it.
13. Comments by the General Public:
 - a. Jayme Brown: The public swimming pool should be open 7 days per week like it used to be.
 - b. Celia Clifford: We don’t know when our next community clean up day is.
