Kathy Ochs provided some updates from the CDAC meeting and said a HUD project was approved for \$800,000 for senior housing.

CDBG Block grants are coming up and asked if this could be used for the current water issues.

Rural Partners Network issued a grant for a water storage system in Nevada, and this would be something Laughlin should inquire about for the water storage issues here.

Ms. Ochs was inquiring about the resolution she read at the January 9<sup>th</sup> meeting. She is requesting an update and information for the sale for the South Lands 5000 acres from Real Property Management.
