V. Informational Items

1. Nevada Department of Wildlife Muddy River update (for discussion only)

Since 2010 they have been working to eliminate the invasive non-native tilapia. Lasts year's efforts (northern boundary of Paiute to the NV Energy plant ending at Hidden Valley Rd. crossing) have shown positive results and the native fish have begun bringing their numbers back up to a stable count. Plans are set forth to work on the next phase of the river during the first week of November. The next phase will begin at the Hidden Valley barrier to Willow Siding (where the diversion to the Bowman Reservoir is) and will include the Meadow Valley and California Wash. The pesticide (odorless and colorless) used attacks gilled species and signs will be up to notify people where not to swim during the time of treatment. Staff will detoxify the river downstream from the treated area which is purple in color but nontoxic. In order to avoid native fish being poisoned, staff will work the month prior to remove the native fish from the area being treated and will create barriers. Contact the Department of Wildlife if there are any concerns.

2. Land Use Plan Meeting Dates (for discussion only)

There are two meetings remaining for Logandale and Overton: Overton- October 17th & January 16th. Logandale – October 22nd & January 15th.

3. Applications are available until Tuesday, November 13, 2018 for appointments by the board of County Commissioners to serve on the Moapa Valley TAB/CAC for two-year term beginning January 2019. (for discussion only)

Town Board members shared disappointment in the way that the seats were advertised. Because the community is smaller, it would have been helpful if there had been an announcement during the town board meetings which would have given residents a heads up to apply and get their names on the ballot.

VI. Planning & Zoning

1. **UC-18-0609-WITTIG, RENEE:**

USE PERMIT to allow on-premises consumption of alcohol (service bar) in conjunction with a restaurant on 0.5 acres in a C-1 (Local Business) Zone in the Moapa Valley Overlay District. Generally located on the northwest corner of Moapa Valley Boulevard and Liston Avenue within Moapa Valley. MK/pb/ml (For discussion and possible action)

10/02/18 PC

ACTION: APPROVED

One resident spoke, concerned but not in opposition

VII. General Business

1. Review FY 2017/2018 budget request(s) and take public input regarding suggestions for FY 2019/2020 budget request(s) (for discussion and possible action)

Moved by: Gene Houston

ACTION: Approved as written

Vote: 5-0/Unanimous

VIII. Public Comment

There was a complaint against the cannon used after each touchdown during Moapa Valley High School games from a resident who reported a noise disturbance. Gene Houston has expressed that if the complainant moves forward then he would like this to come before the board on a future agenda. This is a long standing tradition in the community going back approximately 40 years. Keith Grimes asked about dollars to be used to pave the road leading out the Logandale trails. Gene explained that Janice and Elise have already submitted an application for a FLAP grant which has already been approved and encouraged Keith to attend future meetings so he can remain aware of what's taking place in the community. Janice Ridondo made mention of a local who plans to be at the next board meeting who is requesting lighted crosswalks around the valley. The Veterans Day Parade will be held on November 10th.

IX. Next Meeting Date

The next regular meeting will be October 10, 2018

Appointments to the Town Advisory Boards (TAB) and Citizens Advisory Councils (CAC) are for two-year terms beginning January 2019. TABs and CACs hold regular, public meetings throughout the year. Applicants must be eligible to vote, live within the area encompassed by the TAB or CAC, and attend annual training.

At the regular, public meetings, TABs and CACs are informed of matters pertaining to their respective town or area, provide input regarding various matters, forward the concerns of residents to the Commission, assist in long-term planning, and disseminate information of interest to the residents of the town or area.

Please submit applications by 5:00pm on Tuesday, November 13, 2018.

Applications are available from your TAB or CAC secretary, the Clark County Department of Administrative Services at (702) 455-3530 or at AdministrativeServices@ClarkCountyNV.gov, or on the Clark County website at www.clarkcountynv.gov.

All members of TABs and CACs, whether appointed or elected, must be available for training on Saturday, January 12, 2019. More details related to the training will be released following the 2018 General Election and the appointments made by the Board of County Commissioners.

Town Advisory Board (TAB)/ Citizens Advisory Council (CAC) **Application**

(Note: This document and accompanying materials become public record once it is received by Clark County.)

Town Advisory Boards (TAB) and Citizens Advisory Councils (CAC) were created to assist the Board of County Commissioners (Commission) in an advisory capacity with the decision-making process in supplying public services to the unincorporated areas of Clark County. There are five (5) TABs that are elected and eight (8) that are appointed by the Commission. There are also six (6) CACs that are appointed by the Commission.

Each TAB or CAC consists of area residents and serve as formal direct channels to the County Commission allowing for greater input into the future of their towns. These members serve without compensation for two-year terms and have the responsibility of assisting the Commission, in an advisory capacity, in the governance of the unincorporated town by acting as a conduit between the residents and the Commission.

TABs and CACs hold regular, public meetings throughout the year. At these meetings, members of the TABs and CACs are informed of matters pertaining to their respective town or area, provide input regarding various matters, forward the concerns or problems of residents to the Commission, assist in long-term planning, and disseminate information of interest to the residents of the town or area. All meetings are subject to the Nevada Open Meeting Law (NRS Chapter 241).

Information on Elected TABs:

The following TABS are elected pursuant to NRS 269.576 (7): Bunkerville, Laughlin, Moapa, Moapa Valley, and Searchlight. Elected TAB members do not serve at the pleasure of and may not be removed by the Commission.

All five (5) of the elected TABs will have vacancies after the 2018 General Election. Due to the anticipated vacancies, the Commission will appoint as many new members as are necessary to fill the seats left vacant.

Application Overview:

If you are interested in applying for membership on a TAB or CAC, including any of the five (5) elected TABs that have vacancies, you must meet two criteria: 1) be a qualified elector; and 2) be a resident of the unincorporated town or area encompassed by the TAB or CAC.

Appointments to these TABs and CACs will be made at the first meeting of the Commission in January 2019.

If you have any questions related to the TABs and CACs or the application process, please email AdministrativeServices@ClarkCountyNV.gov.

(DRAFT #3)

PART OF NORTH EAST CLARK COUNTY NEVADA LAND PLAN

(Only areas where Bundy has vested or preempted rights)
(Moapa Valley Town Advisory Board could have a land acquisition similar to Bunkerville)

1 We the People of NECC, acting as citizens of a republic do hereby adopt a comprehensive land plan. The North East Clark County Land Plan (NECCLP) is adopted by our representatives serving as the Bunkerville and Moapa Valley town advisory boards.

2 We the people of northeast Clark County call on our elected representatives, and call on the Commissioners of Clark County to adopt our plan as part of the Clark County land plan.

3 Whereas, the public land in north east Clark County belongs to the people of Clark County Nevada (Chain of title of these lands: Native Indian –Nation of Spain - Nation of Mexico – 1848 to US Arizona territory County of Pah Ute – 1866. US Congressional Act May 5, 1866 dispose of (Art IV:3) to State of Nevada, joint resolution #24 approved 1981, ratified by the people in 1982.); Whereas, Clark County is a subdivision of the sovereign Nevada. Bundy Ranch is an adjudicated part of NE Clark County;

4 It has been 3 years since the Bundy protest and 21 years since We the People said this land is Nevada land. Nevada state law NRS 321.596 et al. statues (Nevada Public Land Ownership Act). 1996 Nevada reformation, We the people, overwhelmingly supported Nevada control of public land. Bundy protest removed the US Federal Bureaucrats off the land. We the people have enjoyed freedom and access; maybe the freest land in America.
For 25 years we have had no land plan. It is due time!

5 RANCHES ADJUCIATED BY CONTRACT (PARTIES) – #1 - US Dept. of Interior and #2 the Rancher. In accordance with preempted rights created through beneficial use, in accordance with Nevada State laws 1940-1960 area and livestock. In November 1970? changed adjudication to ephemeral from livestock number to no livestock numbers. 1992 Bundy cancelled all contracts with US federal government. 1992-2017 no contracts, continual beneficial use of resources 1850s – 2017.

6 Bundy Ranch holds some rights to forage, livestock water, access, range improvements, and all other rights as a Clark County citizen.

7 WHERE AS: Clark County Commissioners are the closest government to the People.

8 DESCRIPTION -- A greater portion of Mormon Mesa, Virgin River Valley, lower Moapa Valley, Virgin Mountain, and Gold Butte (Common name - Bundy Ranch)

9 Within the following boundaries, to wit: commencing on the NE corner Clark County Nevada, SE corner Lincoln County Nevada, W Arizona Stateline thence S to Colorado River-Mead Lake, follow E waterline around N of lake to the W high water line, thence NW to town Overton, NV, N of NV Fish and Wildlife thence E to Mormon Mesa rim thence N along Mesa rim to Lincoln County S boundary thence E to the point of beginning.

10 EXEMPTION: City of Mesquite, NV, I-15 corridor, NV State Hwy. 170, Clark County sewer plant Overton, private lands, subject to State of Nevada open range-fence out laws. All existing utility and communication right-of-ways or easements, agriculture irrigation right-of-ways and easements, FAA and US interstate communication. Nay Ranch and Don Whitney gazing land, if requested.

11 DESIGNATED COUNTY ROADS: (COUNTY MAINTAINED) 2 wheel drive vehicles, 1 lane standard

1. I-15 mile marker 100 to Lincoln County border, Carp/Elgin roads
2. NS 170 to Arizona state border - White Rock- Nay Ranch- Grand Wash roads
3. NS 170 to Lake Mead - Hell's Kitchen - Cat Claw and Clive's Landing roads
4. Overton Airport road to Virgin River

12 ALL OTHER ROADS and trails be maintained by land steward in accordance to NV law and their needs

13 ROADS, Clark County citizens will have access to all roads and trails according to Nevada State law.

14 Now therefore, let it be known, that the following is the duly adopted management plan for the northeast portion of Clark County.

15 We the People recognize our elected Clark County Sheriff as the only authority with policing and arresting power in Clark County Nevada. With the direction and consent of the sheriff, Nevada Highway Patrol may exercise authority on Interstate 15 and NV highway 170 for public safety; Nevada Fish and Game may have limited authority in accordance with state law; and Nevada Livestock Identification may have limited authority in accordance with state law.

16 Whereas, We the People of Clark County, Nevada, a political and fiscal subdivision of the sovereign state of Nevada, are rightful owners of all land within Clark County borders. All who enter across Clark County exterior borders are our guests only, having no political power or vote.

17 All contracts, leases, licenses, permits, easements, MOUs or agreements with the United States government will be null and void including, but not limited to, all US government land classifications such as areas of critical environmental concern, wilderness areas, national recreational areas, monuments and etc.

18 In place of the former federal contracts and agreements, new contracts or agreements will be negotiated with Clark County government. All fees or tax on production will be paid to Clark County government general funds.

19 THIS LAND DECLARATION - all amendments, actions, new developments or maintenance over \$25,000 in total cost will go before Moapa Valley and Bunkerville town advisory boards, then to be presented before Clark County Commissioner's, (semiannual) first meeting in April and October.

20 WE THE PEOPLE of Clark County will have 100% access to the Bundy Ranch area to picnic, camp, motorhome, hunt, fish, off-road, hike, bike, enjoy the scenic desert, only reserving 500 ft radius around wildlife and livestock watering sources and artifact reserves.

21 NEW & IMPROVED ACCESS – for motor homes, camper trailers, and camps. The side roads, vacant gravel pits, and new access will be improved to let you off the beaten trail. 15 day maximum stay.

22 HUNT & FISH – access to all road and trails, giving new territory to explore and improved habitat. Improved wildlife and livestock water sources.

23 OFF-ROADING – access to 100% of Bundy Ranch area all roads and trails and new development. A plan for 2 major off road loops, 5 service stations. Loop 1 (miles?) Loop 2 () + 1000s of miles off-road in the interior. Two ferry systems to move ATVs across Mead Lake.

24 SCENIC TOUR & VIEW SITES – 100% access to the giant desert, Mormon Mesa, lower Muddy River, Virgin River, Virgin Mountains, Gold Butte, east shore of Lake Mead, old mines, old mine town sites, cattle and wildlife, cactus and a beautiful sunset, Indian writings, sink hole, and stars. Could place concrete picnic tables on Virgin River and Mormon Mesa viewpoints.

25 PETROGLYPHS – INDIAN WRITINGS - Ten sights. It is in the general public and native Indian's interest to protect and preserve ancient Indian writings. The public desires to have access to view and enjoy.

26 ROD IRON/GUARDRAIL set 30 feet from the face of the petroglyphs, walk way of natural stone giving access to old and young, away from but close enough to see and enjoy. (note: dislike this, it ruins the natural mystic of the place)

27 LAND IMPROVEMENTS: Virgin River and lower Muddy River and east Lake Mead shore, to reduce erosion, enhance edible fish and game, livestock, and recreation access.

28 LOWER MUDDY RIVER and VIRGIN RIVER. These river bottoms are not fit for beast or man. They have a heavy thick canopy of tamarack brush that has very little habitat value, very little scenic or recreational value.

29 THE ERADICATING OF THE TAMARACK plant is well on its way. The introduction of the tamarack beetle is de-foliating the plant.

30 A PLAN to clear masses of dead plants and replace with a new habitat of new forage to improve for edible fish and game, livestock, and scenic and recreational enjoyment.

31 THE CLEARING PROCESS will reserve 20% of mature tree over 20 ft. tall – Cottonwoods, Black willows, Mesquite and Mesquite trees for shade and scenic value up the valleys.

32 WEED CONTROL. Emphasis on eradicating Tamarack brush and establishing grass sod to stabilize erosion, enhance feed, beautify and create recreational opportunities.

33 WATER. In accordance with Nevada law, multiple use:

- a) Domestic
- b) Agriculture
- c) Livestock
- d) Fish and game
- e) Recreation

All existing water rights, easements, and access will be recognized.

34 WATER - Retain the preempted water usage that the tamarack has used for over 100 years, 2 ac. Ft. per acre? Maybe more. That water will remain in beneficial use, to establish new improved habitat for eatable fish, game, livestock and scenic, recreation and access.

35 WATER - Rivers, water rights – retain wildlife, livestock and vegetation preempted established uses.

36 FIRE – Control, management for the safety and benefit of man.

- 1. Education
- 2. Response and responsibility
 - a. Resource user
 - b. Local Clark County fire department
 - c. Clark County
 - d. Nevada State

3. Map and Plan

- a. Life and valued structures
- b. Scenic areas
- c. Area of habitat or feed resources
- d. Area that fire will improve habitat or feed
- e. Agricultural prescribed burns

All maps and plans will be approved by Clark County fire marshal

37 FORAGE – to be enhanced and managed for edible fish and game and livestock.

38 PREDATOR CONTROL – in accordance to Nevada law.

39 LIVESTOCK – in accordance to Nevada law.

40 WILD HORSES AND BURROS – No wild horses. Wild burros, 50 head maximum to be controlled by Nevada Sate Agriculture Brand Identification Division.

41 MINES – in accordance to Nevada law.

42

LAND ACQUITIONS

Designate Bunkerville Town, New Boundaries

Land Trades for Property Alignments

Green-belt Land Allotments

43 ALL PROPOSALS will pass through area township advisory boards.

44 BUNKERVILLE TOWN – new designated (approx. 4500 acre) hence SW from Bunkerville Town down highway SR170 to the last property line, start at center line of SR170, hence 90 degrees SE 1 mile, hence 90 degrees parallel to SR170 to AZ state boundary, hence N to center of Virgin River, hence SW to first property line. (Moapa Valley approx. 9600 acres)

45 NEW LAND ZONE – residential, commercial, industrial, agriculture

46 LAND TRADES – there is a need to make private land more productive and align property lines. Trade acre for acre.

47 GREEN BELT – to save the beauty and strength of agriculture all agriculture acres that have water rights could enter into 40 year agricultural green-belt agreement in trade for new land designated Bunkerville Town, Each agriculture acre with water rights qualify for one acre new land. (could be more)

48 ATTACHED MAPS

Moapa Valley Budget Requests: Listed in order of importance during the 8.29.18 TAB meeting

1. Finish ball fields & add play area for children. Add shade for bleachers with misters.
2. Shooting area with lights and maintained road (N. 200 acres of Heyer on the East side of Heyer)
Description: Board needs the County and BLM to designate the area of the shooting park so residents can legally shoot there. Shooting at night would be more convenient because of the desert heat.
3. Fix and cover Rodeo Arena bleachers
Description: Bleachers need to be brought to ADA standards including handicapped accessible seating. Lack of visibility is an issue because the bleachers are same height. The board would like the walkway to be lowered so avoid visibility issues when event goers are going to concessions and using the restroom.
4. The extension of the JR Livestock's existing awning heading into the area by approximately 6'.
5. Commercial septic for Fairgrounds
6. 4-H building enlarged (livestock building at the Fairgrounds)
7. Add splash pad to Logandale Park
8. Construct a BMX track by Fire Station #73
Description: Would need a group, similar to the way little league runs the baseball games, to run the track. It would be a club ran by volunteers who would maintain the track.
9. New chairs with new storage racks for community center.

*****Highlighted items are non-Park and Recreation and will be categorized separately accordingly.**
