

JHN & JHS Water Levels: 3-month Trend

JHN & JHS Well Levels: November, 2015-2018

November 28, 2018

Well Levels:

- Static water level data collected from the transducers of the JHN and JHS wells indicated a relatively stable water level as compared to the previous month

Precipitation:

The RAWS Red Rock Nevada precipitation gauge (monitored by DRI) reported a total **0.23** inches for the month of November 2018

- Earlier this month, LVVWD staff repaired a leak on the 8" PVC main on Arroyo and Private Drive.
- Also, September meeting, there was a request for a water usage chart that showed average water use for the town of Blue Diamond for the past year. Here is the chart of average water usage for Blue Diamond for 2017 and 2018.
