## Post-Tension Slab-on-Grade Clearance Procedure Special Cases: C-P

Jerome A. Stueve, P.E., Director  
Samuel D. Palmer P.E., Assistant Director • Girard W. Page, Fire Marshal

### **THIS FORM IS AVAILABLE AT THE CLARK COUNTY DEPARTMENT OF BUILDING AND LISTED PRIME AGENCIES**

1. The clearance report shall be used for each single-family dwelling where post-tensioned slab-on-grade concrete placement operations require additional verification of the cable placement.
2. The quality assurance agency special inspector shall complete the report and leave a copy with the general contractor or permit holder. (At this point an engineer from the special inspection agency will not have sealed the report.)
3. The structural group will review and disposition the engineer's wet-sealed post-tensioned slab-on-grade report. When acceptable the clearance will be approved.
4. The engineer sealed report form shall be sent to Clark County Department of Building records.
