NOTICE TO INDUSTRY

SUBJECT: FIRE PERMIT SERVICE LEVELS

Effective immediately, only the 10- and 20-day service deliveries are available for fire permits. This includes construction, annual renewable, and temporary operational permits.

We apologize for the inconvenience. Please plan accordingly for future events allowing enough time for permit processing, including possible corrections, and/or revisions. Express plan review may be available on a case-by-case basis, if resources are available.

To request an express plan review, after permit application, please submit your request to the following:

- For Construction Permits – FPPCQ@ClarkCountyNV.gov
- For Annual Renewable Permits - FPPCQ@ClarkCountyNV.gov
- For Temporary Operational Permits – FPPCQ@ClarkCountyNV.gov

Please note, resources may not be available to provide an express plan review.

If you need assistance with Construction or Temporary Operational Permit applications, contact Fire Prevention Intake and Issuance at fireintake@clarkcountynv.gov.

Respectfully,

Jerome A. Stueve, P.E.
Director/Building & Fire Official
