

Second Opinion

If for any reason you disagree with the code interpretation or need clarification, just ask for a second opinion.

- ❖ **We guarantee** a second opinion upon request.
- ❖ **We are committed** to encouraging open communication to ensure the highest quality plans examination, inspection, and code interpretation.
- ❖ **We recognize** that building regulations and construction plans are becoming more complex.
- ❖ **When you disagree** with the results of an inspection or want an issue clarified, please let us know.
- ❖ **We want to ensure** you understand the code provisions.
