Chapter 1: Introduction and General Information

INTRODUCTION

The Clark County Detention Center (CCDC), to include the North Valley Complex (NVC), utilize a concept of incarceration with an appreciation for your needs and the needs of the community. CCDC/NVC has incorporated ideas from several successful institutions throughout the nation. The two key concepts that underlie all activities are personal safety and assumption of positive, rational behavior.

This handbook is provided to help answer most questions you may have during your stay in CCDC/NVC. Specific questions may be directed to a staff member. The purpose of this handbook is to enhance your understanding of the daily functions of the detention center and make your stay here more comfortable.

Our primary responsibility is for your personal safety during your stay. Your responsibility is to comply with the regulations of the institution and directives of staff members. Some regulations may seem restrictive to you; however, they are necessary to maintain a secure and humane environment for all persons within Detention Services Division (DSD) facilities.

DSD staff assume that your behavior will be positive and rational, both with staff as well as with one another. In most instances, your privileges will not be restricted or lost unless your behavior causes them to be.

Under certain circumstances, it is necessary for the facility to be locked down and privileges may be restricted during those time periods. It is our belief that positive and responsible behavior should bring more privileges and free time rather than having an environment where they are restricted.

This handbook is the property of CCDC/NVC. You can request the handbook from the housing unit officer or view it on the inmate kiosk during free time. If you lose the handbook, notify the housing unit officer immediately. You may be required to pay for the replacement of this book if it is lost or damaged.

Note: The policies, procedures, rules, and regulations described within this handbook may change from time to time with or without notice, and their inclusion herein shall not be construed to create a liberty or property interest of any kind.

GENERAL INFORMATION

When you were booked into the custody of CCDC/NVC, an Inmate ID number was assigned to you. This number will identify you for as long as you are in jail. It is your responsibility to memorize your Inmate ID number. It will help us identify you, locate your personal property and address any issues that are of importance to you. Your ID number is also necessary to access the inmate kiosk.

You will remain in CCDC/NVC until you post a bond, you are released on your own recognizance, our case is disposed of by a judge, or your sentence is completed. Legal questions about your case are best answered by your attorney as our personnel cannot give legal advice.

If you are sentenced based on a criminal conviction, and your sentence is one year or less, you will serve your sentence here at CCDC/NVC. If your sentence is more than one year, you will be transferred to the Nevada Department of Corrections (NDOC), providing that all outstanding local charges have been resolved.

TOBACCO-FREE FACILITY

The CCDC/NVC instituted a policy eliminating the use of tobacco products within the facility. No person will be allowed to bring tobacco products or flame producing devices into the secure areas of the facility.

Chapter 2: Facility Security and Operations

INMATE SECURITY ADVISEMENT

To increase staff and inmate safety, the following policy will be followed:

When officers are responding to an emergency (e.g., fight, medical emergency, housing unit disturbance, etc.), you will be required to quickly move to the nearest wall, and you are not to move until further direction is given.

This is to ensure that staff can easily identify those involved in an altercation. Inmates who do not respond quickly to the direction of staff will receive disciplinary actions.

SECURITY/COUNTS/INSPECTIONS

Your person and your property are subject to search while housed in DSD facilities. Searches include, but are not limited to, pat searches, frisks, searches of your bunk and cell areas, and unclothed strip searches at any given time during your incarceration.

In addition to the daily scheduled hygiene and safety inspections, the staff may find it necessary to conduct an unscheduled inspection of your cell/bunk and housing unit. Any contraband items found will be confiscated.

You are required to cooperate with the staff conducting the search or inspection, and you do not have the right to be present during the inspection. If contraband is found in your possession, you will be subject to disciplinary sanctions and may face criminal charges.

For security and safety, the staff will conduct scheduled and unscheduled head counts to verify the presence of all inmates. Your cooperation is expected, and you will be required to return to your assigned cell/bunk or designated area during counts.

When you return to your cell/bunk or designated area, you will be required to remain in plain view so that you can be identified. Talking to or otherwise distracting the officer conducting the formal count is a rule violation that may be subject to disciplinary sanctions.

LOCKDOWNS

The facility can be placed on lockdown for various reasons. During this time inmate movement will be minimal in the unit. The housing unit officer will provide a briefing explaining that inmates will remain on their bunks and must ask for permission to use the restroom or get a drink of water.

MOVEMENT

Upon leaving your cell to go into the day room, shower, recreation yard, visiting area or any other area of the Detention Center for any purpose, you will be fully dressed.

You shall proceed in an orderly manner directly to the designated area after authorization from your housing unit officer or designated supervisor. While moving throughout the facility inmates will walk in a single file line with their right shoulder near the wall, unless instructed otherwise by staff. Communication with other individuals outside your housing unit will be limited to facility staff.

At the conclusion of your activities, you will return to your assigned housing unit, reversing the steps in the movement process.

Chapter 3: PREA: Sexual Abuse/Sexual Harassment

PREA SEXUAL ABUSE/SEXUAL HARASSMENT INFORMATION

- NO sexual activity of any type is permitted in the CCDC/NVC facilities.
- Any type of sexual activity is a violation of facility rules, you will be placed in disciplinary housing pending a Conduct Adjustment Board (CAB) Hearing.
- Voluntary sexual conduct between inmates is a violation of Nevada Revised Statutes (NRS) 212.187. Voluntary sexual conduct between inmates, or inmates and another person is prohibited.
- Inmates who commit acts of sexual abuse or harassment are subject to discipline in accordance with NRS and the CAB.
- Sexual abuse/harassment is prohibited and will not be tolerated. All allegations of sexual abuse/harassment and staff sexual misconduct are investigated by the Las Vegas Metropolitan Police Department (LVMPD).
- If you are a perpetrator of sexual abuse, you will be prosecuted for a criminal offense. If you are found guilty, this will result in disciplinary time, lessened privileges and will change where you are housed in the facility.

Sexual Abuse Safety Guidelines:

The only way a sexual abuse/harassment can be prevented is when a potential perpetrator chooses NOT to sexually abuse or sexual harass another person.

- Position yourself in “Safe Zone” areas where you can see a staff member and a staff member can see you.
- If you are being pressured for sex, report it to any staff member immediately.
- Do not enter a room with anyone you feel threatened by or enter someone else’s room at any time.
- Do not accept gifts from other inmates, commissary items given to you may be considered a debt with expectation of repayment with a sexual favor.

What to do if you are Sexually Abused:

- Report the attack to a staff member immediately.
- Do not shower, brush your teeth, use the restroom, or change clothes in order to preserve evidence.
- If you have been attacked or witnessed an attack, you should report it immediately to any staff member.
- Mental Health staff is available for crisis care 24/7, 365 days a year to listen and offer support.

(NRS 207.280)

Chapter 4: Sanitation and Hygiene

LIVING QUARTERS

The cell or dormitory area you are assigned to is your living area. You will be provided cleaning supplies daily for the purpose of maintaining your living quarters in a clean manner. The officer assigned to your housing unit will inspect your living area daily. It will be your responsibility to keep the area assigned to you in a neat and orderly appearance during non-sleeping hours. Blankets and sheets are to be used solely for the purposes intended and are to remain on your mattress, except when officers are conducting linen exchange.

Lighting, vents, and windows will remain unobstructed at all times. Placing items over lights, vents, and windows will not be tolerated.

No items are to be attached to the cell walls—walls will be bare, and the defacing of walls, windows and doors is prohibited (e.g., graffiti).

Report any problems with your cell or dormitory area (e.g., inoperable plumbing, lighting, etc.) to the housing unit officer so that he/she can submit a maintenance work order in a timely fashion.

Housing unit cells or inmate holding cells equipped with Call Lights will be used to notify the housing unit officer(s) of an emergency. Incidents of misuse regarding Call Lights will be handled progressively through the inmate disciplinary process.

CLOTHING AND LINEN EXCHANGE

When you are housed, you will be given facility clothing and bedding. It is your responsibility to take care of that clothing and bedding. Do not accept items that are damaged. If you are found with damaged/missing articles in your possession, you will be disciplined, criminal action may be taken against you, and you will be required to pay for the damaged items. Notify staff immediately of any damaged or missing items, which will be exchanged. Clothing exchange will be held once per week. Clothing and linen exchange schedules are posted in each housing unit.

BARBER SHOP

Inmates may request to use the hair care facilities by submitting an Inmate Request/Grievance to the housing unit officer.

PERSONAL HYGIENE

Inmates should shower when moved from Booking to a general population housing unit at the first available free time and daily. This allows us to maintain a cleaner and safer environment for all inmates and staff. Please ensure proper hand washing is maintained on a continual basis. This dramatically reduces the spread of communicable disease and facility outbreaks. All inmates are required to maintain good hygiene and soap is provided free to all inmates.

Shower rooms may have up to four shower stalls: only one inmate per shower stall. More than one inmate in a shower stall may result in disciplinary sanctions.

Dental hygiene-Tooth decay & gum disease:

Tooth decay and gum disease begins with plaque. Plaque is a sticky, invisible film that contains bacteria. It is the major cause of tooth decay and periodontal (gum) disease. It is constantly forming on everybody's teeth - including yours.

How plaque causes cavities:

1. When you eat sweet foods, the bacteria in plaque combine with sugar to form acids that attack the tooth's enamel (tooth's hard outer layer).
2. The cavity grows larger and enters the dentine, the next layer of the tooth.
3. Decay weakens the enamel further and reaches the pulp (the sensitive inner layer of the tooth).
4. If decay isn't checked, the enamel may collapse and the infection may reach through to the pulp, causing a painful abscess. The bone layer supporting the tooth may also become infected.

How plaque causes periodontal (gum) disease:

1. Plaque by-products collect just beneath the gum line and irritate the gum tissue; this can cause gums to become inflamed or bleed when you brush. This inflamed condition is called gingivitis.
2. If it isn't removed, some of the plaque hardens and turns into calculus (tartar). The hard, calculus further irritates the gums.
3. As plaque and calculus continue to form, the tissue holding the gums to the teeth is destroyed, leaving pockets between the tooth and gum. These pockets often fill with bacteria, causing further inflammation.
4. Finally, this disease destroys the gum tissue and the bone supporting the tooth. This is called Periodontitis. At this stage, the tooth may be lost.

Brush to remove plaque:

Tooth decay and periodontal disease start with plaque. Improve prevention by thoroughly brushing teeth to get all the plaque out of your mouth at least once a day. Hold the toothbrush at a 45-degree angle to the gum line. Brush gently back and forth with short strokes, covering just one or two teeth at a time. Make sure to brush the back teeth, the insides, and outsides, and chewing surfaces of your teeth.

Chapter 5: Inmate Activities

TELEPHONE USAGE

Telephones are located in the day room area. All phone conversations are subject to being monitored excluding attorney-client privilege. A prompt informs both parties that the call is being recorded and may be monitored by department personnel prior to call acceptance.

If you are assigned to administrative, disciplinary, or the medical housing units, you will be permitted access to the telephone during your scheduled out of cell time, after you clean your room.

Public Defender's phone numbers are available from the Housing Unit Officer.

For information on how to use the inmate phone system refer to the inmate bulletin board, the unit information book or ask your housing unit officer.

There will be NO loitering in the telephone area.

If you are deaf or hard of hearing, LVMPD will provide TDD and/or other auxiliary aids. Please ask for assistance by contacting CCDC/NVC Personnel.

VISITATION

You will be allowed visiting privileges consistent with your behavior.

Inmates in general population may receive one social visit of up to 50 minutes per week. All inmates in special housing units shall inquire with their housing unit officer regarding their visits.

Visiting shall be restricted only by limitations caused by space, personnel

availability, classification and disciplinary actions. There will be no visiting during meals and lockdown for count, except when dictated by special circumstances and approved by the responsible bureau commander or his/her designee.

All phone conversations are subject to being monitored excluding attorney-client privilege.

Inmates will not be pulled from an activity/program and given the option for a social visit.

Be aware that visiting space is limited in each area. You may receive a maximum of three visitors simultaneously (this includes both adults and children). Any visitor under 18 years old must be accompanied by a responsible adult. Minors who are spouses of inmates must show proof of marriage unless otherwise approved by the sergeant or above. Minors accompanying adults must always remain with the adult. Minors will not be left in the lobby area unattended. Babies under one year of age are not counted as visitors.

Only one inmate per visiting booth at a time. More than one inmate found in a visiting booth may result in termination of the visit and disciplinary sanctions may be imposed.

Visitors must initially register in person at CCDC/NVC. Visitors must have an email address and proper ID and will not be allowed a visit for 24 hours after registration. After registering, visitors may schedule visits using their home computer or via smart phone. It is the inmate's responsibility to check the posted housing unit visiting schedule and to be aware of the visiting time for his/her scheduled visit.

You may receive daily contact visits from your attorney as necessary. There are no restrictions as to the number of attorney visits you may have or their duration with the exceptions of the established visiting hours or during a declared facility emergency. If you are assigned to administrative or disciplinary housing, you will be permitted contact and non-contact legal visits, unless restricted by Classification or a Conduct Adjustment Board.

Inmates will be allowed to carry legal work and a pencil to legal visits whether contact or video.

Visiting rooms equipped with Call Lights will be used in an emergency or to notify staff that a visit has concluded. Incidents of misuse regarding Call Lights will be

handled progressively through the inmate disciplinary process.

POSTAL SERVICE

Incoming mail will be delivered daily (except weekends and holidays). All outgoing mail, to include legal mail, will be given to the housing unit officer unsealed. The housing unit officer will inspect and ensure that the mail is sealed. It will be collected daily and picked up by the US Postal Service (except weekends and holidays).

All incoming mail will be opened, searched, and scanned. A copy of that scanned mail will be delivered to the inmate. Originals will not be returned or given to the inmate. Correspondence from an attorney which is clearly marked as “legal mail” will be opened in the inmate’s presence and searched for contraband.

Inmate-to-inmate mail is prohibited at CCDC/NVC. If you have an immediate family member, e.g., spouse, sibling, parent/child, grandmother or grandfather, incarcerated at CCDC/NVC you must complete a DSD Inter-Relation Inmate Mail request and have it approved by the floor sergeant. Both inmates must give consent to the request. If the request is denied, the inmate will follow the grievance procedure in the handbook and direct it to the CBB Administrative Lieutenant. It is the inmate’s responsibility to provide proof of the requested relationship.

If you are sending mail outside of the United States, the envelope must weigh less than one ounce and be machinable; you must also provide a Money Release Form to pay for the extra postage. There is no limit on the amount of outgoing legal mail. Pre-stamped envelopes must be purchased through the Commissary. You must include your name, ID Number, and the facility address on the front of all outgoing mail. Certified or registered mail is not a service provided to inmates.

LIBRARY

This facility maintains general library services for inmate use. The library operates Monday through Thursday, except holidays. All general population housing unit day rooms will contain recreational and educational reading material. Inmates housed in max and medical isolation housing must request books and reading material through the housing unit officer. Books will be replaced on the bookcase in your housing unit every other week.

LEGAL LIBRARY

All inmates will have access to the inmate kiosk in their housing units for legal research. Inmates may submit their request to the Legal Library by submitting an Inmate Request/Grievance via the inmate kiosk.

When the library receives multiple requests from one inmate, they will be answered in the order received, two per week until completed. Material will be returned within 72 hours (not including weekends or holidays) from the time the library receives the request form.

A maximum of 25 pages of legal research will be delivered to the inmate twice per week, with the remainder of larger requests delivered on the following delivery day.

Inmates will be assessed a charge per page to the inmates' account for material. The Legal Library will not deny copies of legal material to indigent inmates, but an obligation will be created on the account.

Inmates may send legal material (motions, exhibits, attorney correspondence or letters to the court) directly related to the inmate's own case to the library for copies by submitting a paper Inmate Request/Grievance Form.

No more than five copies of each page of a writ, motion or letter directly related to the inmate's own case will be made, except where court rules provide otherwise. Inmates will be assessed a charge per page for material that an inmate has sent to the library for copies.

Books and materials, other than those provided or authorized by staff, will remain in the Legal Library.

RECREATION YARD

You may have access to the outdoor recreation area any time you are not on lockdown status and/or are scheduled to use the yard. The yard must be left clean after each use. You are allowed to take a book and/or one towel and must remain fully clothed while using the rec yard.

The recreation yard may be closed due to facility operations or inclement weather.

FOOD SERVICES

The CCDC kitchen will prepare three meals daily (at least two meals being hot during normal operations). All menus are prepared by the food services manager and certified by a registered dietitian at least 30 days in advance. The food services manager may change the menu at his/her discretion.

All meals will be served in your housing unit and eaten in the day room area unless security reasons justify feeding in the individual cells/bunk area. If you are restricted to your bunk/cell for medical reasons, administrative reasons, or disciplinary sanctions, your meals will be served to you in your bunk/cell.

Should you require a religious meal, please contact the Religious Coordinator by submitting an Inmate Request/Grievance for approval. You will be required to sign

a contract for approval. You will be restricted on certain commissary items that are not compliant with your request. If you voluntarily withdraw or have been found not in compliance with your religious practice, you will be removed from this meal plan. There will be 90 days for reconsideration to be reinstated.

Should you require a special diet due to medical reasons, it will be ordered for you by the Medical Services Section. Complete a Medical/Dental Request Form and forward it to the medical staff. You will be seen by medical staff prior to approval. If you receive a special diet tray, you will not trade, barter or give your food away. If you receive a P.M. snack, it will be consumed at the time it arrives and will not be saved for any reason. You will be restricted on certain commissary items that are not compliant with your special diet.

Milk and juice containers are not to be saved. None of our meals contain pork. No food items are to be taken from trays to rooms; exceptions are pre-packaged food such as cookies or chips, not to exceed one tray worth.

INMATE VOTERS

Voter Registration:

Inmates who are qualified to vote, but not registered to do so, may register to vote while in custody at CCDC/NVC if the inmate meets the specified requirements. Requirements for voting are prescribed by the Nevada Secretary of State and the Clark County Election Department. The Clark County Detention Center has established processes to make this service available to inmates within the facility. Inmates who are already registered to vote in Clark County will use the process in the next section to receive a ballot. CCDC/NVC personnel do not screen requests or completed forms to determine if an inmate is eligible to vote or not.

Inmates will request a State of Nevada Voter Registration form via an Inmate Request/Grievance using the inmate kiosk within their housing unit. A hard copy of the form will be provided to you for completion. Please note, LVMPD personnel are not authorized to help in completing this form. The form contains information on requirements to vote, and the inmate must attest that they meet those requirements. Anyone who helps you in completing the form **must** sign the form noting they did so. It is a felony to help someone in completing a form and to not sign the form indicating they did so.

The form must be completed in pen. If you do not have a pen and cannot borrow one, let your housing unit officer know. Make sure you write your ID number on the form, next to the facility mailing address.

Inmates will use a stamped envelope to send the completed form to the address below. Inmates who are indigent may order a “welfare pack” from the inmate commissary order form to receive an envelope to send the form in. Inmates may receive a welfare pack once every five days.

For first time voter registrations, the new voter must send the form in and have it postmarked by the 4th Tuesday preceding a primary or general election. Because it may take one business day to send the letter out, you will need to consider this when sending out the registration form to ensure it is received on time by the election department. Send the form to:

**Clark County Registrar
965 Trade Drive, Suite A
North Las Vegas, NV 89030**

Requests for Absentee/Mail in Ballots:

Inmates who are already registered to vote in Clark County may request an absentee/mail in ballot while in custody at CCDC/NVC. This process is only available if the inmate is already a registered voter in Clark County. If a new registration is needed, and the inmate meets requirements to vote in Clark County, use the procedure on the preceding page.

Inmates will request a Clark County Mail/Absent Ballot Request Form via an inmate request on the inmate kiosk within their housing unit. A hard copy of the form will be provided to you for completion. Please note, LVMPD personnel cannot help in completing this form. Requirements to request a ballot are noted on the form.

The form must be completed in pen. If you do not have a pen, and you cannot borrow one, let your housing unit officer know. Make sure you write in your ID number on the form, next to the facility mailing address.

Inmates will use a stamped envelope to send the completed form to the address below. Inmates who are indigent may order a “welfare pack” from the inmate commissary order form to receive an envelope to send the form in. Inmates may receive a welfare pack once every five days.

Completed forms must be received by the Clark County Election Department by 5 p.m. on the 14th calendar day preceding the election. Because it may take one business day to send the letter out, you will need to consider this when sending out the registration form to ensure it is received on time by the election department. Send the form to:

**Clark County Election Department
PO Box 3909
Las Vegas, NV 89127**

Voting by Absentee/Mail in Ballot

Inmates receiving an absentee/mail-in ballot while in custody will receive the ballot from their housing unit officer with standard mail delivery.

Upon completion of the ballot, the inmate will ensure the ballot is sealed and prepared for mailing. The ballot will be placed in the outgoing mailbox as with any outgoing mail. Unsealed ballots will be returned to the inmate to be sealed before mailing. Ballots will be mailed out the next business day with the outgoing mail.

MEDICAL

Inmates have the right to access medical, dental, and psychiatric care 24 hours per day. If you or another inmate in your housing unit are feeling suicidal or have thoughts of self-harm, contact your housing unit officer immediately. We want you to be safe! The National Suicide Lifeline is also available by calling 222 from any inmate phone.

Emergency:

Contact the nearest corrections officer and he/she will call for a nurse.

Non-Emergency:

You may request a Medical/Dental/Psychiatric Request Form from the nurse at medication pass. These forms are to request medical assistance and the sick call or charge nurse shall triage (review) the complaint.

Medical/Dental/Psychiatric Request Forms:

The forms are picked up twice daily by the nurse after medication pass and triaged (reviewed) by the sick call nurse or charge nurse. The sick call/charge nurse, who will assess your symptoms within 24 -72 hours after your form has been picked up, will see you. If he/she cannot address your symptoms or complaints through nursing protocols, you will be referred to the next available physician or physician assistant sick call.

Medical Request/Grievance Forms:

If you are not satisfied with any aspect of your health care, you have the right to request information or send a grievance to the contracted medical provider, health services administrator, for an investigation and response to your complaint.

Medical/Dental Access and Medication Fee Policy Statement:

Pursuant to NRS 211.140, an inmate or his/her insurance carrier may be financially responsible for medical care and treatment under certain circumstances including, but not limited to: injuries sustained during the commission of a crime or during arrest, pre-existing medical conditions, and self-inflicted injuries. The inmate, or his/her insurance carrier, may also be held responsible for the cost of arranging for the administration of medical care including the cost of transportation of the inmate for medical care.

A Medical/Dental/Psychiatric Access and Medication Fee may be charged to the inmate's trust account for medical care provided or non-chronic care requests. The medical access fee process begins with the sick call/charge nurse's assessment of the problem. There is no charge for referral to the physician or follow-up care; however, if medication is prescribed or renewed by the sick call/charge nurse or physician, there will be an additional medication fee assessed. If an inmate requests emergency care that is determined not to be an emergency condition, that inmate may be charged a Medical Access Fee for calling a false emergency. The determination of the condition will be made by medical/nursing staff and the inmate will be informed of the assessed charge.

Inmates will be charged to access the health care system pursuant to the provisions of NRS 211.140.

Medical Access Fee (self-initiated requests—evaluation/treatment by the sick call nurse and or/physician)	\$ 8.00
Medication Fee (new orders, not chronic care)	\$ 5.00
Medication Renewal Fee (not chronic care)	\$ 3.00
Transportation of Inmate (self-initiated request)	\$ 300.00 or actual cost, whichever is higher

For full details on chronic care exceptions refer to information on the inmate kiosk.

Any complaints regarding the CCDC/NVC Medical/Dental Access and Medication Fee Policy should be addressed to the captain responsible for medical services.

Chapter 7: Commissary and Inmate Accounts

COMPLAINTS AND GRIEVANCES

If you have a complaint or grievance regarding your stay at the CCDC/NVC, you may file an Inmate Grievance by submitting a request through the inmate kiosk. All complaints or grievance regarding medical or mental health services must be directed to them via a Medical Request/Grievance form.

Informal Grievances: You must start with your housing unit officer. Most grievances can be resolved at this level. If you cannot obtain a solution and wish to further address the grievance, you have the right to appeal to the floor sergeant for remedy. If your grievance is a health or safety emergency, your housing unit officer will immediately take appropriate action.

Formal Grievances: If you cannot resolve your grievance thru informal contact with staff, you may file a formal request/grievance for assistance or other administrative remedy by submitting a request thru the Inmate Request Manager or kiosk system. It is your responsibility to request the grievance to be appealed. A sergeant will investigate and respond to your grievance. Grievance responses at this level will be: Granted, Denied, Partially Granted, Duplicate, Not Accepted or Grievable, or Withdrawn.

Grievances may be appealed to one level higher than the initial grievance level (ex. After discussing with the housing unit officer regarding an issue with the telephone (an informal grievance), an inmate completes a grievance to the floor sergeant via the kiosk. The sergeant denies the grievance. The inmate can send an appeal to the lieutenant for resolution. The lieutenant is the final level of grievance for this complaint).

Inmates must have standing on the topic that they are grieving and cannot file a grievance on behalf of another inmate. If an inmate's claim or grievance is not accepted because it is not in the scope of the grievance process, there is no appeal process. If an inmate's grievance is "granted" at any level, the grievance process is considered complete and there is no appeal process.

You should wait for a response before filing a grievance to the next level of authority. When submitting a grievance or request, limit each form/entry to one topic. If multiple grievances/complaints are on one form/entry, it will be returned.

Inmates that are released or transferred prior to the conclusion of their grievance process can request completion of the grievance by submitting a request by either email or by mail. It is your responsibility to request the grievance process to be continued. All grievances must be received within seven days of release.

Complaints regarding staff misconduct may also be filed with any supervisor or through the LVMPD Office of Internal Affairs. You may also make a complaint to the Citizen Review Board by requesting a Citizen Review Board Complaint Form from an officer. The officer will deliver the form through the department inter-office mail or send it via U.S. mail. Filing a complaint with the Citizen Review Board is not a substitute for completing the grievance process.
