It is the mission of the Clark County Election Department to build, strengthen, and expand outreach programs to create community networks that will participate in supporting new programs, promoting our current services, recruiting workers, and motivating electors to exercise their voting rights.

In our efforts, we have collaborated with community based organizations that we seek to partner with in an effort to expand their ability to provide voter registration services and voter education services to citizens. If your organization would like to learn more regarding voter outreach, voter education or speaker services, please contact Lorena Portillo at (702) 455-2944.
