Directly Notify the Election Department

When you change your address, name or political party, be sure to inform the Election Department **BEFORE** the registration deadline. Updating your DMV or Post Office records will **NOT** also update your voter registration. Quickly see your registration information on record with the Clark County Election Department by logging in to our [Registered Voter Services](#) and selecting **View My Registration Information** from the dropdown menu.

Address Changes

Several options are available: (1) If you have a Nevada Driver's License or Nevada State Identity Card, you may [change your address online](#) at the Nevada Secretary of State's website; (2) Login to our [Registered Voter Services](#) and select **Change My Address** from the dropdown menu to complete and print a form to mail before the registration deadline; or (3) You may also call (702) 455-VOTE (8683) to request a form. Make sure you submit your address change before the registration deadline. If non-forwardable mail, such as your Voter Registration Card or sample ballot, is returned as "undeliverable" or indicating you've moved, your registration may become "inactive." The National Voter Registration Act (NVRA) requires the Election Department to **CANCEL** your registration if your registration is "inactive" and you do not vote in two consecutive federal elections. You must then re-register to vote again.

Party Changes

Several options are available: (1) If you have a Nevada Driver's License or Nevada State Identity Card, you may [change your political party affiliation online](#) at the Nevada Secretary of State's website; (2) Login to our [Registered Voter Services](#) and select **Change My Party Affiliation** from the dropdown menu to request a Voter Registration Application; or (3) You may also call (702) 455-VOTE (8683) to request a form. Make sure you submit your party change before the registration deadline.

Name Changes

Login to our [Registered Voter Services](#) and select **Change My Name** from the dropdown menu to request a Voter Registration Application. You may also call (702) 455-VOTE (8683) to request a form. Make sure you submit your name change before the registration deadline. When you change your name by marriage or other legal means, properly complete a Voter Registration Application in its entirety and include your new name and handwritten signature. No proof of the change is required. If your name is not current when you go to vote, you must sign the precinct register with your old name. You will also be given a Voter Registration Application to make the name change for the next election.
