COMMUNITY OUTREACH

It is the mission of the Clark County Election Department to build, strengthen, and expand outreach programs to create community networks that will participate in supporting new programs, promoting our current services, recruiting workers, and motivating electors to exercise their voting rights. In our efforts, we have collaborated with community based organizations that we seek to partner with in an effort to expand their ability to provide voter registration services and voter education services to citizens. If your organization would like to learn more regarding voter outreach, voter education or speaker services, please contact the Administration Division at (702) 455- 2944.

The "Raise the Vote" partnership is designed to provide community organizations and businesses with an opportunity to participate in the electoral process in Clark County. At the same time, organizations can raise funds for the worthy causes in which they support. Each participating organization or business "adopts" a specific Vote Center, or several Vote Centers, for the election cycle by providing the personnel to staff that Vote Center. If the organization has a W-9 form on file with the IRS, the Election Department writes a check to the organization rather than pay each

individual worker. Otherwise, volunteers will be paid individually and can then donate their pay to their organization. By forming a partnership with the Election Department, funds raised are directed towards worthwhile causes and the voters are served by qualified workers at the polling places. For information, contact Keyshaundra Lighten at (702) 455-2814 or via email at Keyshaundra.Lighten@clarkcountynv.gov.
