G Back 🝷 🕥) - 🍺	Se 🔎	arch 🜈	> Folders	•		
🕴 Address 🛅 C:\TEMP)					💌 🔁 Go	
Folders			×	Name 🔺			
C TEMP				🗐 PublicA	bsReq.exe		
<			>	<			>

- 3. Right-click on the file and choose the **Open** option
- 4. Once the *WinZip Self-Extractor* dialog appears, click on the Browse button and select the folder location where you want to unzip the **PublicAbsReq.exe** file to

WinZip Self-Extractor - VoterList.exe	×
To unzip all files in VoterList.exe to the specified folder press the Unzip button.	<u>U</u> nzip
Unzip to <u>f</u> older:	Run <u>W</u> inZip
C:\temp Browse	<u>C</u> lose
verwrite files without prompting	About
	<u>H</u> elp

- 5. Click on the **Unzip** button
- 6. Once the file is successfully unzipped, you will get the following confirmation message

WinZip Self-Extractor	×
1 file(s) unzipped success	fully
(OK	

- 7. Click the **OK** button
- 8. Click the Close button on the WinZip Self-Extractor dialog

In this example, a file called **PublicAbsReq.txt** will be located in the directory that was selected to unzip the file to (e.g., C:\temp)
