<input type="checkbox"/> I have a stationary source permit that includes requirements that are at least as stringent as the AQRs selected above. <input type="checkbox"/> I have a stationary source permit that does not include requirements, or whose requirements are not as stringent as the AQRs selected above. <ul style="list-style-type: none"> <li>• Submit a permit revision that includes the newly applicable requirements.</li> </ul> <input type="checkbox"/> I do not have a stationary source permit, but my VOC emissions are controlled by RACT emissions standards at least as stringent as one or more of the AQRs selected above. <ul style="list-style-type: none"> <li>• List and describe the RACT emission standards being used (attach additional pages if necessary).</li> </ul>		

**Section F: Small Business Assistance Program (SBAP) and Fees**

A DAQ program offers free assistance on permitting and compliance matters to small businesses of 100 or fewer employees. Please ask for an SBAP representative at our front counter or call (702) 455-1660 to schedule an appointment.

**Fees and Payments.** No fees are associated with submitting this form.

**Section G: Authority Granted**

I authorize DAQ to transmit all communications by the primary communication method selected in Section D of this form. I acknowledge that if I select "Email," DAQ will transmit all listed items electronically. I further acknowledge that if I select "U.S. Postal Service," I may incur applicable postage fees.

**Section H: Declaration**

As the Owner, Operator, or Responsible Official, I declare, under penalty of perjury under the laws of the state of Nevada, that I have read the applicable AQR(s) and claim exemption from the requirements contained therein and that the statements and information in this notification and the attached supplemental documents are true and correct. My signature acknowledges that I am subject to liability for perjury under NRS Chapter 199.145.
