DESERT CONSERVATION PROGRAM PROJECT COMPLETION SUMMARY
OHV Outreach
2019-MXT-1940C

The work for the above referenced project has been completed. Below is a summary of project related information.

The purpose of the above referenced project was:

Clark County Desert Conservation Program (DCP) is required to provide Public Information and Education per the terms of the Multiple Species Habitat Conservation Plan (MSHCP). Through this requirement, Clark County partnered with MXT media to provide Off Highway Vehicle (OHV) education and outreach in Nevada. They will organize events to provide outreach to the community of Nevada and provide information.

The major accomplishments or findings of this project include:

Four public outreach events were conducted by MXT. Outreach was conducted at OHV related events and a DCP Desert Cleanup.
