RE: DESERT CONSERVATION PROGRAM PROJECT COMPLETION NOTIFICATION:
BCCE WEED SURVEY
2011-NPS-910R

The work for the above referenced project has been completed. Please see the attached for all project related information.

The purpose of the above referenced project was:

The purpose of this project is to conduct surveys of public and private routes on the Boulder City Conservation Easement (BCCE) to detect non-native vegetation and conduct targeted treatments of non-native vegetation, where appropriate.

The major accomplishment or findings of this project include:

Over 891 acres were surveyed. Less than 20 acres were found with infestation. The areas were all treated.

For more information about this project and/or for other Project Reports or Symposium Reports, please visit our website at: <http://www.clarkcountynv.gov/airquality/dcp/Pages/default.aspx>

If you have any questions, please contact John Brekke at (702) 455-2722.

Sincerely,

A handwritten signature in blue ink that reads "Marci D. Henson".

Marci D. Henson
Director, Air Quality
Administrator, MSHCP
