DESERT CONSERVATION PROGRAM PROJECT COMPLETION SUMMARY:

CONTENT PROD FOR MOMAX ASSEMBLIES/EMERGENCE

2017-MXT-1715AJ

The work for the above referenced project has been completed. Below is a summary of project related information.

The purpose of the above referenced project was:

Due to the ongoing COVID-19 pandemic, the typical Mojave Max assembly program cannot be presented for the 2020-2021 school season. Therefore, the purpose of this project was to produce a video version of the assemblies and create additional web-based content for students that will accompany the assembly video.

The goal of this project was to produce content for the upcoming Mojave Max assembly season that will comply with current COVID-19 measures in place within the Clark County School District.

The major accomplishments or findings of this project include:

The following videos were produced:

- 14 Introductory Videos with Mojave Max Character were made for Schools
- “Save the Tortoise” Music Video
- Mojave Max Conservation Messages (Filmed at Springs Preserve)
- Mojave Max Emergence Contest
- Mojave Max Tortoise Pledge
- Tortoise Anatomy
- Mojave Max Animated Cartoon

Additionally, two web-based virtual classrooms were made for and students in grades 1st – 2nd and students in grades 3rd – 5th
