**30-DAY PUBLIC COMMENT PERIOD:
Notice of Public Comment and Public Hearing**

**NOTICE OF PUBLIC COMMENT PERIOD AND PUBLIC HEARING
ON THE PROPOSED OZONE STATE IMPLEMENTATION PLAN REVISION**

NOTICE IS HEREBY GIVEN of a public comment period and public hearing on the proposed *Revision to Motor Vehicle Emissions Budgets in Ozone Redesignation Request and Maintenance Plan: Clark County, Nevada* (O₃ SIP Revision). This O₃ SIP Revision will update the approved motor vehicle emissions budgets (MVEBs) for volatile organic compounds and nitrogen oxides contained in the *Ozone Redesignation Request and Maintenance Plan* for the 1997 8-hour ozone standard using the most recent U.S. Environmental Protection Agency-approved motor vehicle emissions model (MOVES2014a) and the most current planning variables (e.g., vehicle miles traveled projections and population forecasts). Once approved, the MVEBs in the O₃ SIP Revision will become the projected budgets that the Regional Transportation Commission of Southern Nevada will use for determining transportation conformity in the future under Section 176(c) of the Clean Air Act.

NOTICE IS FURTHER GIVEN that a 30-day public comment period will begin on August 17, 2018, and end at 4:00 PM on September 17, 2018. The public may review and provide written comments on the proposed O₃ SIP Revision during this period. The Board of County Commissioners will consider the O₃ SIP Revision, along with all written and any oral public comments, at a public hearing at 10:00 AM on October 16, 2018, in the Commission Chambers, Clark County Government Center, 500 S. Grand Central Parkway, Las Vegas, NV.

Copies of the proposed O₃ SIP Revision may be reviewed at the Clark County Department of Air Quality (DAQ), 4701 W. Russell Rd., Suite 200, Las Vegas, NV 89118, or on the DAQ website at <http://www.clarkcountynv.gov/airquality/Pages/default.aspx>. Copies may also be obtained by contacting Araceli Pruettt at (702) 455-3206.

Any written comments must be submitted no later than 4:00 PM on September 17, 2018. Comments should be addressed to Araceli Pruettt at the mailing address given above or sent via email to araceli.pruett@clarkcountynv.gov or via fax to (702) 383-9994.

30-DAY PUBLIC COMMENT PERIOD: DAQ Website Notice #1

The screenshot displays the Clark County Air Quality website. At the top, there is a navigation bar with links for Home, Subscribe to Newstead, English, and Español. Below this is a secondary menu with links for Residents, Visitors, Econ. Dev., About Clark County, Elected Officials, Services, Departments, and ClarkConnect. A search bar is located on the right side of the top menu.

The main content area is titled "Clark County / Air Quality". On the left, there is a "Quick Look-up" section with dropdown menus for "I Want To..." and "Most Popular". Below this is a vertical "Air Quality" menu with links to Services, Contact Us, About Us, Complaints, Monitoring, Fees, Forms & Applications, Notices & Meetings, Planning Initiatives, Rules & Regulations, Small Business Assistance, and Visibility Cameras.

The central section features a "Air Quality" header with a video player. The video is titled "Annual Emissions Inventory Reporting for Minor Stationary Sources Gasoline Dispensing Operations" and shows a cartoon character pointing to the text. The video player has a progress bar at 00:00 / 03:52.

Below the video is an "Announcements" section. The first announcement is "Ozone Advisory Issued for Saturday and Sunday" with a "More Information" link. The second announcement, "Proposed Ozone SIP Revision", is highlighted with a yellow border and includes the text: "Clark County is proposing a Revision to Motor Vehicle Emissions Budgets in Ozone Redesignation Request and Maintenance Plan: Clark County, Nevada. More information [More Information](#)".

On the right side of the page, there are three additional sections: "Explore" with links to Smog Spotter, Club Ride, Enviroflash, Nevada Wildlife Management, and Desert Conservation Program; "Upcoming Events" listing "2018 Dust Class - FULL" on Sep 13, 2018, "2018 Dust Class" on Sep 27, 2018, and "2018 Dust Class" on Oct 4, 2018; and "Service Spotlight" with "Hours of Operation" from Monday through Friday 7:30 AM to 4:00 PM, with a "Read More" link.

**30-DAY PUBLIC COMMENT PERIOD:
DAQ Website Notice #2**

The screenshot shows the Clark County website interface. At the top, there is a navigation bar with links for Home, Subscribe to Newsfeed, English, and Español. Below this is a secondary navigation bar with links for Residents, Visitors, Econ. Dev., About Clark County, Elected Officials, Services, Departments, and ClarkConnect. A search bar is located on the right side of the navigation bar.

The main content area features a breadcrumb trail: Clark County / Air Quality / Announcements / Proposed Ozone SIP Revision. On the left, there is a 'Quick Look-up' section with dropdown menus for 'I Want To...' and 'Most Popular'. Below this is an 'Air Quality' sidebar menu with links for Services, Contact Us, About Us, Complaints, Monitoring, Fees, Forms & Applications, Notices & Meetings, Planning Initiatives, Rules & Regulations, Small Business Assistance, and Visibility Cameras.

The main content area has a header for 'Air Quality' and a sub-header for '8/17/2018 - Proposed Ozone SIP Revision'. It includes social sharing buttons for Facebook, LinkedIn, and Google+. The contact information for Araceli Pruett is provided: Phone: 702-455-3206, Email: araceli.pruett@clarkcountynv.gov.

The main heading is 'Proposed Ozone SIP Revision'. The text states: 'Clark County is proposing Revision to Motor Vehicle Emissions Budgets in Ozone Redesignation Request and Maintenance Plan: Clark County, Nevada for the 1997 8-hour ozone standard. The public has the opportunity to [review and comment](#) on the draft document. The 30-day public comment period is from August 17, 2018, through September 17, 2018. Comments must be received by September 17, 2018, at 4:00 PM. Written comments will be retained and considered prior to the submittal of the proposed Plan to the Clark County Board of County Commissioners (BCC). The BCC will conduct a public hearing on the Plan on October 16, 2018, at 10:00 AM in the Commission Chambers, Clark County Government Center, 500 South Grand Central Parkway, Las Vegas, NV.'

At the bottom of the page, there is a dark banner with the text 'WERE YOU OR SOMEONE YOU LOVE AFFECTED BY 1 OCTOBER?' and a 'LEARN MORE' button. To the right is the 'VEGAS STRONG RESILIENCY CENTER' logo, which includes a heart icon and three circular icons. The footer contains links for Jobs, Contact Us, Title II/Title VI, Privacy Policy, and copyright information for Clark County, NV, 2015.

08/17/2018 - PUBLIC NOTICE - PROPOSED SIP REVISION FOR OZONE

DAQ welcomes comments on the proposed *Revision to Motor Vehicle Emissions Budgets in Ozone Redesignation Request and Maintenance Plan: Clark County, Nevada* (SIP revision). The proposed SIP revision will update the motor vehicles emissions budgets for volatile organic compound and nitrogen oxides emissions contained in the approved *Ozone Redesignation Request and Maintenance Plan* for the 1997 8-hour ozone standard. If adopted, this SIP revision will be submitted to the state of Nevada and U.S. Environmental Protection Agency as a revision to the Nevada State Implementation Plan.

BOARD OF COUNTY COMMISSIONERS MEETING – 10/2/18

Agenda Item

**CLARK COUNTY BOARD OF COMMISSIONERS
AGENDA ITEM**

Petitioner: Marci Henson, Director, Department of Air Quality

Recommendation:

That the Board of County Commissioners set a public hearing on October 16, 2018, at 10:00 AM to approve, adopt, and authorize submittal of the proposed “Revision to Motor Vehicle Emissions Budgets in Ozone Redesignation Request and Maintenance Plan: Clark County, Nevada” to the State of Nevada and the U.S. Environmental Protection Agency for review and approval as a revision to the Nevada State Implementation Plan. (For possible action)

FISCAL IMPACT:

Fund #: N/A	Fund Name: N/A
Fund Center: N/A	Funded Program/Grant: N/A
Description: N/A	Amount: N/A
Added Comments: N/A	

BACKGROUND:

The Board of County Commissioners adopted the Clark County *Ozone Redesignation Request and Maintenance Plan* (2011 Maintenance Plan) for the 1997 8-hour ozone National Ambient Air Quality Standard (NAAQS) on March 15, 2011. On January 8, 2013, the U.S. Environmental Protection Agency (EPA) found Clark County had attained the standard, issuing final approval of the 2011 Maintenance Plan and redesignating the nonattainment area to attainment for the 1997 8-hour ozone NAAQS, effective February 7, 2013.

The attached revision updates the approved motor vehicle emissions budgets (MVEBs) for volatile organic compounds and nitrogen oxides from the 2011 Maintenance Plan using the most recent EPA-approved model (MOVES2014a) and the most current planning variables (e.g., vehicle miles traveled projections and population forecasts). The Regional Transportation Commission of Southern Nevada (RTC) is responsible for determining the conformity of regional transportation plans, programs, and projects to approved state implementation plan budgets. Once approved, the MVEBs in this revision will become the projected budgets the RTC uses to determine future transportation conformity under Section 176(c) of the Clean Air Act.

This revision was made available for public review and comment from August 17, 2018, through September 17, 2018. To date, no comments have been received. A public hearing on October 16, 2018, will provide the public with an additional opportunity to provide comments on the proposed revision.

Respectfully submitted,

Marci Henson, Director
Department of Air Quality

BOARD OF COUNTY COMMISSIONERS MEETING – 10/16/18

Agenda Item

**CLARK COUNTY BOARD OF COMMISSIONERS
AGENDA ITEM**

Petitioner: Marci Henson, Director, Department of Air Quality

Recommendation:

That the Board of County Commissioners conduct a public hearing; approve, adopt, and authorize the “Revision to Motor Vehicle Emissions Budgets in Ozone Redesignation Request and Maintenance Plan: Clark County, Nevada;” authorize the Director or her designee to incorporate any relevant public comments into the Plan and submit the Plan to the State of Nevada and the U.S. Environmental Protection Agency for review and approval as a revision to the Nevada State Implementation Plan. (For possible action)

FISCAL IMPACT:

Fund #: N/A	Fund Name: N/A
Fund Center: N/A	Funded Program/Grant: N/A
Description: N/A	Amount: N/A
Added Comments: N/A	

BACKGROUND:

The Board of County Commissioners (Board) adopted the Clark County *Ozone Redesignation Request and Maintenance Plan* (2011 Maintenance Plan) for the 1997 8-hour ozone National Ambient Air Quality Standard (NAAQS) in March 2011. On January 8, 2013, the U.S. Environmental Protection Agency (EPA) found Clark County had attained the standard, issuing final approval of the 2011 Maintenance Plan and redesignating the nonattainment area to attainment for the 1997 8-hour ozone NAAQS, effective February 7, 2013.

The attached revision will update the approved motor vehicle emissions budgets (MVEBs) for volatile organic compounds and nitrogen oxides in the 2011 Maintenance Plan using the most recent EPA-approved motor vehicle emissions model (MOVES2014a) and the most current planning variables (e.g., vehicle miles traveled projections and population forecasts). The Regional Transportation Commission of Southern Nevada (RTC) is responsible for determining the conformity of regional transportation plans, programs, and projects to approved state implementation plan budgets. Once approved, the MVEBs in this revision will become the projected budgets the RTC uses to determine future transportation conformity under Section 176(c) of the Clean Air Act. Appendix B documents the public review process. Information not yet available will be added after the public hearing and upon Board approval of this revision.

The proposed revision was made available for public review and comment from August 17, 2018 through September 17, 2018 on the Department of Air Quality (DAQ) website and at the DAQ office at 4701 West Russell Road. No comments were received. Staff recommends the Board approve the revision and authorize staff to submit it to the State of Nevada and EPA for approval as a revision to the Nevada State Implementation Plan.

Respectfully submitted,

Marci Henson, Director
Department of Air Quality
