Volunteer at Child Haven

Make a difference in the lives of children in foster care. Join us as a volunteer at Child Haven, the congregate care facility where children live temporarily while waiting for foster care placement. Spend time with babies, toddlers, children and teens, assist with holiday or special events, lead sports activities, or be a helping hand to our Child Haven staff.

NOTE: Volunteers will need to go through a background check process and submit to a Tuberculin Test in order to volunteer.
