VIII. Public Comment

Taci May - requesting an item to be placed on the next meeting agenda. The community is upset over the DMV appointment process. The Mesquite DMV requires residents to drive to Mesquite on the day of their choosing, and if they run out of appointments, they'll ask residents to come back the following month on the day of their choosing. Taci recently spoke with the DMV director's office who is working to find a resolution. Taci is requesting

that the community work together to create change, and is requesting a letter of support from the Moapa TAB. Her goal is to get the online appointment option up and running and to bring a local DMV to the community. Taci - submitted a letter to Wil to be added to the record. Shari Lyman - seconded the sentiments of Taci. Lola Egan- There was an ad in the paper which had information regarding a solar plant. There will be virtual meetings which will allow the public to submit comments either by Zoom or phone calls. Wil - a member of the board will be appointed to serve on CDAC so this will be on the next meeting agenda.
