VIII. Public Comment

Chief Neel report on MVFD updates since separating from Clark County Fire. We have more than doubled the number of volunteers, many more training classes, Grants to help with improvements, soon to be 7 day a week Paramedic coverage. All of this is due to Commissioner Kirkpatrick having our back, and taking a leap of faith in 2018, and continuing to support our work. Board member reported on multiple events in the coming weeks. Chamber of Commerce Car Show, Quilt Show, Health Fair, Pumpkin Patch, Hump & Bump to name a few. Thank you to whoever helped Dr. Rose get additional staffing and growing.

Several people spoke regarding the Taylor and Bunnell parking situation at the Logandale Sports Complex. Everyone is in favor of the park, with appx. 45 people attending. Business owners excited for the ballfields. It will be great for the Economic growth of the Valley, and their employees. People concerned about Taylor being a private street, and in poor condition. This has been in the planning for 20 years, both sides emotions are running high. No notices, until it was a done deal. No one answers emails or messages. People on Taylor could put up a gate, to keep

traffic off their street. People on Bunnell are concerned for the safety of their children. Bottom line is they all are in favor of the park but would like a different parking solution.

Additional complaint regarding the RV Park in Overton. Complainant says she has sent in quite a few postcards to Clark County regarding the RV Park. No one else cares, nobody knows about it. She requests people go to the 10/18 BCC meeting to speak up on both these items.

IX. Next Meeting Date is November 1, 2023
