NEWSLETTER

To my Friends & Neighbors,

The year is quickly winding down and as we head into the festive holiday season, I wanted to take a moment to thank you all for being active participants in our community.

We have so much to be thankful for, and sometimes it is easy to lose sight of that. Remember that we at the County are here for you in times of need with resources, celebrations in times of joy and communication in times of confusion.

If you have any questions, concerns or even suggestions, please feel free to reach out if we can be of help or just point you in the right direction at 702-455-3504 or marilyn.kirkpatrick@clarkcountynv.gov

*Happy
Thanksgiving,
Marilyn*

Most of us think of Thanksgiving when we think of November, but there is so much more! Here are just a few acknowledgments for the 11th month of the year.

- **National Pain Awareness Week: November 1-7** (Check in on your loved ones - not all pain is obvious)

- **National Animal Shelter Appreciation Week: November 3-9** (Adopt, don't shop)

- **National Stress Awareness Day: November 6** (Heading into the holidays, this can be especially important. See what resources are available at your Community and Resource Centers)

- **Eating Healthy Day: November 6** (See above - Stress Awareness Day)

- **Geriatric Tooth Fairy Day: November 9** (With inflation and aging, these teeth are worth a pretty penny under the pillow!)

- **Dear Santa Letter Week: November 10-16** (Get the kids started early!)

- **National Young Readers Week: November 11-15** (Reading is knowledge, an knowledge is POWER!)

- **National Hunger and Homeless Awareness Week: November 18-26** (People need help, everywhere; there are so many resources in Clark County - see the Resources page.)

- **National Addictions Awareness Week: November 18-24** (Be aware of the signs and look out for those you love.)

National October Acknowledgements

Always remember, never forget. Not only was October a celebration of **Latino History**, but it was also **Breast Cancer Month** and **Domestic Violence Awareness Month**.

I was proud to be on hand for the proclamation of Domestic Violence Month with the changing of the lights at the famous Welcome to Las Vegas Sign to *purple*.

We also changed the lights to *pink* to acknowledge Breast Cancer Month.

Health District Happenings

Flu Season is Here

Flu is a contagious disease that spreads around the United States every year, usually between October and May. Anyone can get the flu, but it is more dangerous for some people. Infants and young children, people 65 years of age and older, pregnant people, and people with certain health conditions or a weakened immune system are at greatest risk of flu complications.

In an average year, thousands of people in the United States die from flu, and many more are hospitalized. Flu vaccine prevents millions of illnesses and flu-related visits to the doctor each year.

The Health District offers flu vaccine at all Health District clinic locations each fall. Check individual public health center locations for hours of operation. No-cost flu clinics are also offered at various locations in the community throughout flu season.

For the clinic near you, go to www.southernnevadahealthdistrict.org

Be sure to check with your doctor to make sure you or your loved one are a good candidate for the vaccine.

"Our Veterans are
MVP every Year"

Grand Marshal: Ralph Healy

Presented by:
VFW Elwood Perkins Post 8336

Whether you are in District B or elsewhere, we salute our veterans and pay homage to all that have served. As a public servant, I may not represent you in my district, but I will always represent anyone in need. Thank you for all you have given, sacrificed and done.

Thankful Staff

Not everyone celebrates Thanksgiving; not everyone enjoys this time of year. But studies have shown that gratitude for even the smallest thing can change your whole outlook.

November is commonly associated with Thanksgiving, so my team and I would like to take this moment to remember some of the things for which we are thankful.

Marilyn Kirkpatrick: *I am thankful for my family and being able to represent a great community.*

Will Covington: *My family.*

Gina Strougter: *My family - my kids and granddaughter are what keep me going on even the busiest days.*

Judith Metz: *I am thankful to be a 14-year breast cancer survivor and for all the people who have dedicated their lives to researching to "Find a Cure."*

Amy Kraft: *Joining Commissioner Kirkpatrick's team and being involved in the work she does - seeing the difference we make is worth everything.*

We wish you all a beautiful Fall and a wonderful start to the winter holiday season, whatever that looks like for you.
