

HELP CREATE A LASTING 1 OCTOBER Memorial

Pathways for Participation

We invite you to help create a lasting memorial that remembers the 58 lives lost on 1 October 2017, as well as those who have succumbed to injuries since the tragic events at the Route 91 Harvest Music Festival. The memorial will also honor the survivors, first responders and everyday heroes who inspired our nation with their bravery while also recognizing the resiliency and compassion of our community.

CALL FOR CREATIVE EXPRESSIONS

Anyone wishing to express an idea for a memorial or other forms of creativity to inspire design teams is invited to participate. Submissions can be drawings, short videos, poems, songs, or any artwork you may have created in response to the incident. Individual artists interested in contributing to the creation of a memorial are invited to share their resumes or portfolios. Submissions may be available for viewing in our online gallery if you grant permission. Professional design teams will be asked to review all Creative Expressions submissions to inform their concepts for the memorial.
