3-Week Session / 60 min.

Registration Required

Jump right into our water aerobics classes and build cardiovascular fitness and strength. Just like swimming, our water aerobics classes are easy on your joints, yet challenging enough to help you reach new levels of fitness. Water aerobics classes are suitable for any fitness level, from beginning exercisers through elite athletes. Working out in the water is a fun way to improve your joint range of motion, flexibility and balance through the comfortable resistance of water. Participants should work at their own pace and let the instructor know of any problems.

Classes held in Shallow Water. 20 participants per class. Registration required.

Participants may bring and use their own water shoes; all other equipment is provided. Water shoes are not required to take this class. ***Drop-ins available as space permits \$6 – please check with the pool for availability.**
