Awards Presentations- May 28; 4pm

together is better

Welcome!

All Nevada Youth Trapshooting Teams!

The Clark County Shooting Complex is ground zero for this youth trapshooting league, but all students in Nevada are invited and encouraged to participate!

Those outside of Clark County may partner up with friends from a neighboring county or club to make up their team.

It's recommended each team have a minimum of 4 shooters but having 5 is preferred. This allows the team to drop their low score each week and score their top 4.

Post the best possible score as you're competing against the entire field of other Varsity or Junior Varsity teams. The only requirement is that all students range from grades 6 – 12, and all team scores from outside Clark County are submitted during the 7-day period between 8am Sunday and 5pm Saturday each week of scheduled trapshooting league activity.

Six Consecutive Weeks of Youth Trapshooting League Competition!

Competition Week ends on the following Saturdays-

*April 19, 26,
May 3, 10, 17 & 24*

*Pizza Party, Prize Drawings, and Awards Presentations at 4pm,
Wednesday, May 28, at the*

Clark County Shooting Complex

Fees

\$6.50/person/day for 25 clays at the Shooting Complex. The fee may be different at your facility. \$20 one-time registration & trophy fee. Out-of-town participants can mail the registration/trophy fee to:

Clark County Shooting Complex

11357 N. Decatur Blvd.

Las Vegas, NV 89131

Appropriate rental firearms are available in 12 and 20-gauge at the Shooting Complex. Rental fees are waived for league participants.

Clay target ammunition in both 12 and 20-gauge will be available at the Shooting Complex to purchase at a special reduced price for practice & competition.

League Format

One scorekeeper and a minimum of one coach or safety officer will be present on the field when students are participating in league competition.

Up to 5 team-mates shoot 25 clay targets each from the 16-yard line on 6 designated Wednesday afternoons between 3-6pm **at the Shooting Complex**. All team members must shoot together. No early or late make-up by missing team members!

Outside of Clark County, team members will have until 5pm each Saturday afternoon to shoot and submit their scores. They may shoot at two different clubs, at different times, and on different days.

The top 4 scores from each team will be used to earn team points!

Please submit a completed copy of the **Official Score Report** by the end of each week as an email attachment and send to:

Steve.Carmichael@ClarkCountyNV.gov

All scores will be recorded, and results posted within 24 hours of receipt.

Special Rules!

Teams are welcome to add a 6th member, an alternate, to their roster, but a maximum of only 5 will compete on a weekly basis.

All team rosters and team alternates are considered final following the third week of competition.

Anyone listed as an alternate can compete with only one team but may shoot any week of the league.

In the event a team member is unable to attend a week of competition, the team may elect to use the absent team members average -2 from a prior league or average based on his/her previous two weeks of scores to assist their team in earning weekly points. Using an absent shooters average -2 is referred to as a "blind" score and allowed only one time per team member during the league. Teams also have the option of using a substitute if available. A substitute may shoot for any team with exception of week 5 or 6.

Varsity Teams- Grades 10, 11 & 12. Varsity teams **may** recruit from lower grade levels.

Junior Varsity Teams- Grades 6, 7, 8 & 9. Junior Varsity **may not** recruit from higher grade levels.

Should any scheduled league competition be canceled at any location, for any reason, a make-up round will be required the following week. This will require two rounds be entered the same day.

Should adverse conditions prevail during the make-up period, we'll revert to the option below:

Should a scheduled league competition be canceled in weeks 1, 2, or 3, actual scores and points from week 5 will be applied to the canceled week.

Should a scheduled league competition be canceled in weeks 4, 5, or 6, actual scores and points from week 2 will be applied to the canceled week.

Note- due to different geographical locations of the ASTL, conditions at one location may allow competition to proceed but may prohibit competition at others. Any scores that are recorded on the scheduled day of competition will be used and applied to the official records.
