The Percent for the Arts Program and associated Art Fund were established July 17, 2012. The Clark County Board of County Commissioners (BCC) approved the initial Clark County Arts Plan (Arts Plan) on December 4, 2012 and authorized the apportionment of monies from the Room Tax Collection Commission and Special Ad Valorem Capital Projects Tax to begin January 1, 2013. By August of 2013 Clark County had hired its first full-time employee. Funding for the Poet Laureate program was added to the Arts Plan at the October 17, 2017 BCC meeting.

The Clark County Arts Plan is a program within the Department of Parks and Recreation. The program includes executing new art projects, initiating repairs and restoration of existing public art, providing for appropriate staffing levels, daily operations of the Winchester and Government Center Art Galleries, and the development of public art education opportunities.
