MORE ABOUT US!

Water Safety:

We offer swimming lessons for the community, full of opportunities to learn about important water safety information! We also travel with our Water Safety Expert, Tommy the Turtle, to teach the people in our community about being safe near or in the water!

**PATROL, PROTECT
& PREPARE!**

PATROL

ALWAYS designate an adult **WATER WATCHER** when kids are in the pool.

In the time it takes to make a phone call, a child can drown.

PROTECT

Install **BARRIERS** around the pool and alarms on doggy doors.

A child that can access the pool without your knowledge can drown before you know it.

PREPARE

Take a CPR class, register your children for **SWIM LESSONS**, and have safety equipment, such as Coast Guard approved lifejackets.
