21st ANNUAL DAY OF THE DEAD FESTIVAL: LIFE & DEATH

THE ART EXHIBITION

Clark County Parks and Recreation presents **LIFE IN DEATH: DIA DE LOS MUERTOS** in conjunction with a two-day festival featuring displays, an art exhibit, performances, craft sales and food vendors at Winchester Cultural Center and Park. The event explores cultural traditions related to the Mexican holiday of “*El Día de los Muertos*”, or “*Day of the Dead*.”

The Gallery hosts an exhibition of various artists celebrating the art of “*Day of the Dead*” and will feature the beauty that comes from such a unique event. Artists are advised to learn “*Day of the Dead*” traditions, which honor the dead, but also confront death itself, often with a humorous attitude. This celebration should not be confused with Halloween.

The show is juried by Estefania Rangel- a community organizer, activist, animal rescuer, Biological Science student at College of Southern Nevada and freelance cultural artist with Purépecha and Mexika (Aztec) roots. Estefania is also a co-founder of Fifth Sun Project, a community-empowering, grassroots organization focusing on raising awareness and funds for issues affecting their community and environment through art, culture, and activism. Providing a platform and safe space for local and non-local artists to express themselves is fundamental to the organization, as it leads to the development of relationships with community members who seek positive social change.
