ALLEGIANT STADIUM CORRIDOR

Due to the amount and complexities of ongoing events at Allegiant Stadium, a stadium specific corridor has been established to limit the work and activities which may negatively affect the access to and from the stadium.

Due to the varying event days and start times, **no work** may take place along any of the streets listed below when an event is scheduled to take place. This means the day of the event and until 6am the next day no work is allowed.

It is the responsibility of the barricade company and contractor to ensure that no work takes place during events.

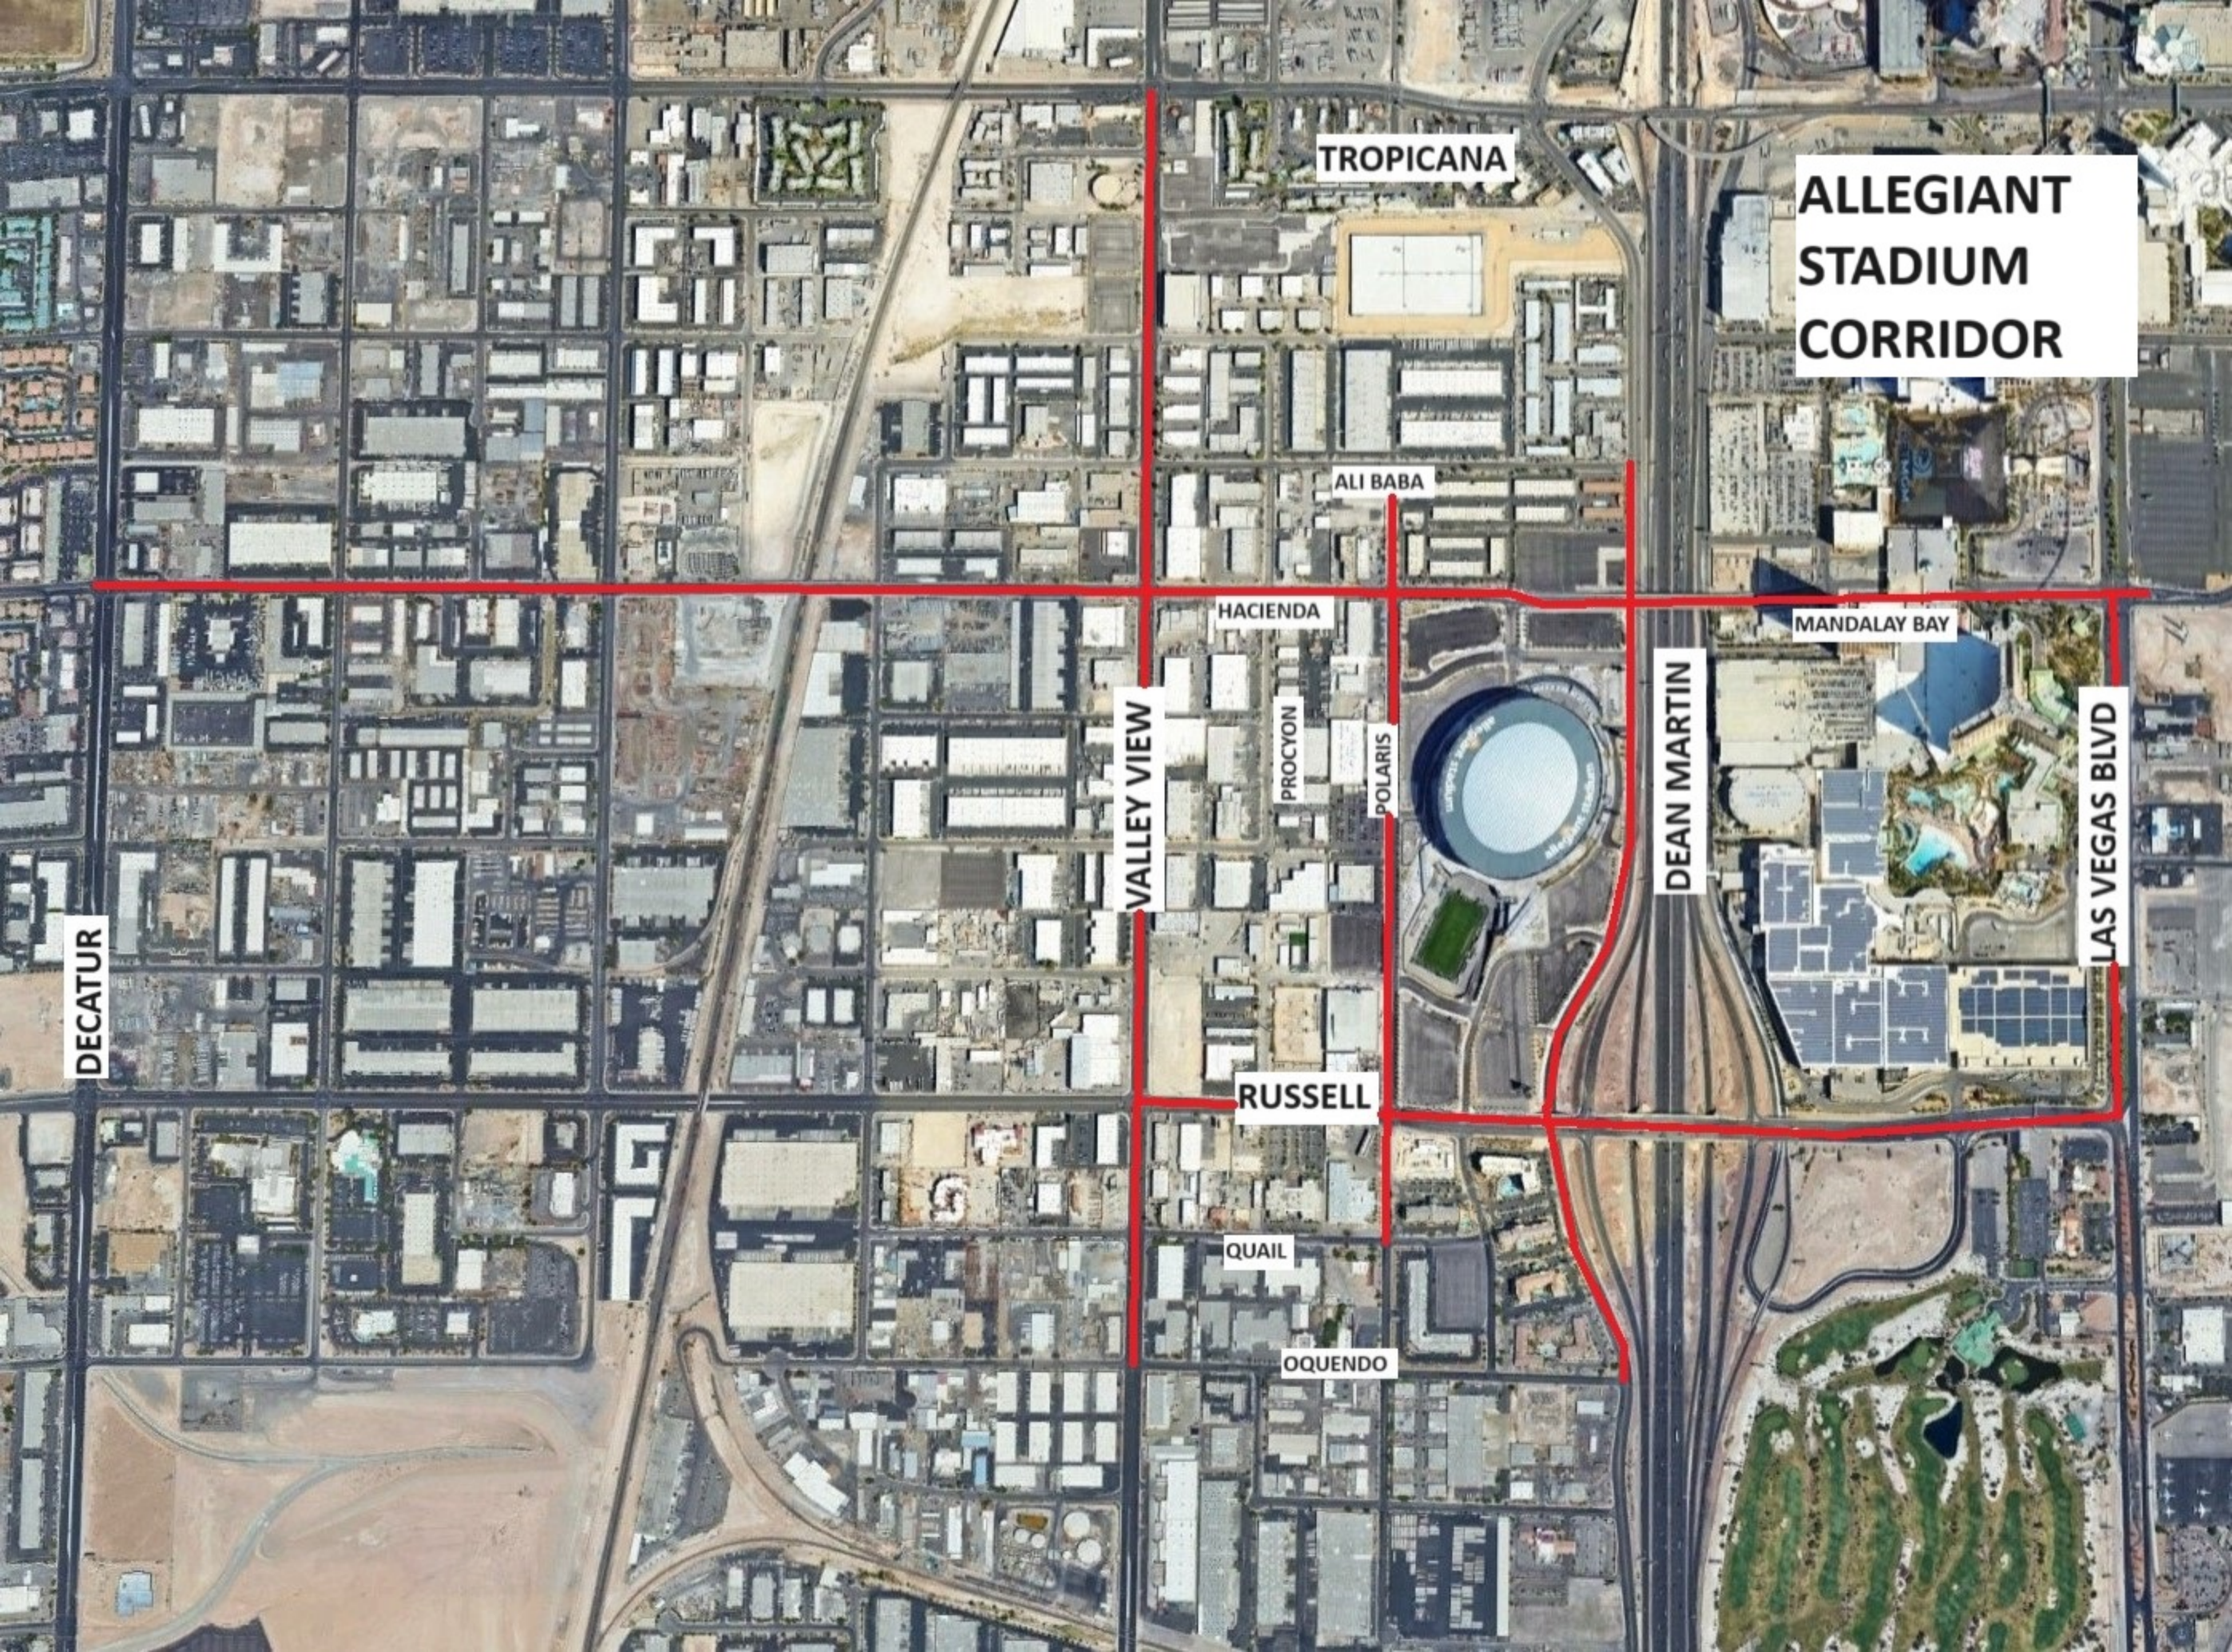

If there are questions about the events, please contact Jeff Coffey at jcoffey@allegiantstadium.com

Below is the link to Allegiant Stadium's Calendar of Events. Please use this to coordinate work.

<https://www.allegiantstadium.com/events>

Please see list regarding the restricted streets:

- On Dean Martin from Ali Baba to Oquendo
- On Polaris from Ali Baba to Quail
- On Valley View from Tropicana to Oquendo
- On Las Vegas Blvd from Mandalay Bay to Russell
- On Hacienda/Mandalay Bay from Decatur to Las Vegas Blvd
- On Russell from Valley View to Las Vegas Blvd
