28" CONE USAGE REQUIREMENTS

As of June 1st 2018, Clark County Public Works Construction Management – Development **will only** allow 28" cones under the following circumstances:

- The right-of-way is less than 60ft
- The work taking place is day time restricted only (7am to 5pm, 9am to 3pm, etc.)
- The speed limit of that right-of-way is 25mph or less

28" cones **will not** be allowed under the following circumstances:

- The right-of-way is 60ft or greater
- The work is taking place at night or as part of a 24 hr. set up
- The speed limit of that right-of-way is 30mph or greater

Any new or existing traffic control plan must show the proper type of devices being used. After June 1st, any incorrect type of device shown on a traffic control plan will be subject to rejection.

Please distribute to contractors as needed.
