A MESSAGE FROM TICK

Over the last month, I have continued to work with our local, state, federal, and private partners to address the pressing health and economic needs of our community. Last week, we introduced additional COVID-19, drive-thru testing sites at Sam Boyd Stadium, Texas Station Casino, Fiesta Henderson, and Eldorado High School. These tests are free, quick, and results are available within 3-5 days. To learn more, please visit:

[DoINeedCovid19Test.com](https://www.clarkcountynv.gov/DoINeedCovid19Test).

We also are bringing back the Small Business Stabilization Grant, and we offering the "School Daze" distance learning program for free to any child who qualifies for free or reduced lunch through the Clark County School District. As the election nears, we are stepping up our recruitment efforts for poll workers. We are most in need of poll workers to work Election Day, and they will be paid \$250 for that day. If you are interested, please apply here:

Please continue wear your mask, wash your hands, and socially distance. We know that if we all take these actions, we will continue to slow the spread of COVID-19 and save lives. As always, if you have any questions or need any assistance, please contact my office at (702) 455-3500 or DistECC@ClarkCountyNV.Gov.

Stay safe,

“ESTA EN TUS MANOS”

Given COVID-19’s disproportionate impact on the Hispanic community across the region, we are continuing to utilize the “Esta en Tus Manos” marketing campaign to help slow the spread of COVID-19 within the Hispanic community.

The campaign specifically targets Hispanic, Spanish-speaking, and/or historically underserved communities across Southern Nevada in order to raise awareness about COVID-19, advertise testing sites, and market available resources for those impacted by COVID-19.

THE HARBOR JUVENILE ASSESSMENT CENTER

This is an award-winning program that offers services designed to keep youth out of the Juvenile Justice System by helping families cope with problem behaviors before they escalate.
