LAND USE PLAN:
WINCHESTER/PARADISE - COMMERCIAL NEIGHBORHOOD

BACKGROUND:

Project Description

The plans depict an existing commercial building consisting of 15,000 square feet that was approved via VC-0469-98 by the Planning Commission in April 1998. The pharmacy ceased operations nearly 5 years ago, and the project site has remained dormant since the closure of the business. The applicant intends on renovating the site by making exterior improvements to the façade of the existing building and improvements, including an addition to the parking lot located on the east side of the building. The proposed use of the building will be for a BioLife Plasma Services center.

The applicant is proposing to vacate 3 curb return driveway easements located adjacent to Vegas Valley Drive. Part of the rehabilitation work being done on this site requires the existing driveways to be updated to current standards. New driveway access easements will be granted as a result of the new development.
